CHAMBER OF COMMERCE

Welcome

The Rolesville Chamber of Commerce is a growing organization that helps shape the economy and promote community awareness. Our Chamber understands that to have a strong economic environment you must have a strong community. Through our programs, volunteers, and events, we are providing the services and resources to help our members grow while gaining that exposure throughout our community.

During the pandemic, we saw our community and businesses push forward as the world adapted to its new normal. As we continue to work through unknown factors, we know without uncertainty that our community is better because of its citizens and businesses.

Our work at the chamber of commerce continues to be a conduit in the community and we love seeing the increased participation and engagement from the Rolesville community. We will continue to bring together resources, expertise, and wisdom to fulfill the business and community's need for resources, advisors, experts, and champions.

As a community we all share in the responsibility of creating economic success and happiness in our town.

We are excited for our growing town and look forward to welcoming and assisting you!

Sincerely,
Rachel E. Morris, MBA
Executive Director

ROLESVILLE
CHAMBER OF COMMERCE

CHAIR OF THE BOARD

Welcome

As board chair, I am honored to help head such a wonderful organization. While the Rolesville Chamber of Commerce may be small in comparison to the surrounding town chambers, our impact on the town of Rolesville, businesses and the overall community is mighty. If it's happening in Rolesville, the chamber is somehow connected and making a difference. From new business ribbon cuttings, the Christmas parade, youth and business mentoring, to the welcome wagon outreach to Rolesville residents and social media live streams, the Rolesville Chamber has so much to offer and more. Being Involved in the local community, building the partnership with the Town of Rolesville and helping businesses to thrive has been and will continue to be the chamber's mission and objectives as we work to focus on inclusive growth.

As board chair, I will continue to promote the chamber mission, bring new and exciting events and opportunities with diversity to the local residents, challenge its members to grow in their role with the chamber and continue to nurture old and new partnerships.

Kind Regards,
Terri A. Simmons, CPA, MSA

MAYOR'S

Welcome

My wife, Beth, and I discovered Rolesville in 1992 when searching for a great place to live and raise a family. At that time, Rolesville's slogan was "Small Town, Bright Future." Today our Town has become that Bright Future.

Since 2010, the population has increased 150% and many residents and businesses alike are attracted to Rolesville for the location. As a small town, we enjoy the amenities that living near Raleigh and the Triangle has to offer, yet still enjoy some breathing room by being set back enough from urban congestion. Education and schools are other reasons many choose Rolesville. The Wake County Public School System is often recognized as among the top performing K-12 programs in the nation. Rolesville is also connected to major transportation avenues, quality healthcare facilities and a beautiful parks and greenway system.

Please feel free to reach out to me at any time. To those of you who already call Rolesville home, we welcome you, and for those looking for a place to live, work, or start a new business, we hope Rolesville will be your first choice.

Sincerely,
Ronnie Currin
Mayor

About the Department

The Rolesville Police Department is dedicated to providing professional police services to those that live, work and play in our community. We hold steadfast in forming and maintaining strong partnerships with the town's stakeholders, and citizenry. We currently staff 22 full-time sworn officers with two civilian staff, and serve a population approaching 10,000. Our jurisdiction covers nearly five square miles, and is constantly growing, as Rolesville is one of the fastest growing towns in North Carolina. The police department is broken up into two divisions (Patrol, and Support Services) providing

24-hour-per-day coverage to include two School Resource Officers at Rolesville High School.

Community Outreach

Rolesville Police Department has a variety of community outreach initiatives to strengthen relationships with the town's residents. All of the community outreach programs are absolutely free!

Youth safety programs include the annual Bike Rodeo, the popular summer Camp KIDDS, and our Bicycle Safety Helmet Program (which rewards helmet-wearing kids with a free ice cream cone). Shop With A Cop is an annual holiday event that allows underprivileged children to go on a special shopping trip with our police officers-a great time for all involved!

The medication drop box (at the Police Station) and the annual Operation Medicine Drop are ways the department helps the community safely dispose of unused medications. The department also offers a Telephone Reassurance Program for seniors (or anyone with a physical disability) living alone-a friendly and familiar representative will call daily to check on the resident.

To find out more about all of the Police Department's community outreach programs, visit RolesvilleNC.gov or call 919-556-7226.

Entrepreneurs wanted! This program provides hands-on business mentorship, planning, financial support and an accredited program. Participants establish strong connections with other local entrepreneurs. We strive to develop successful entrepreneurs who have limited access to financial and business resources

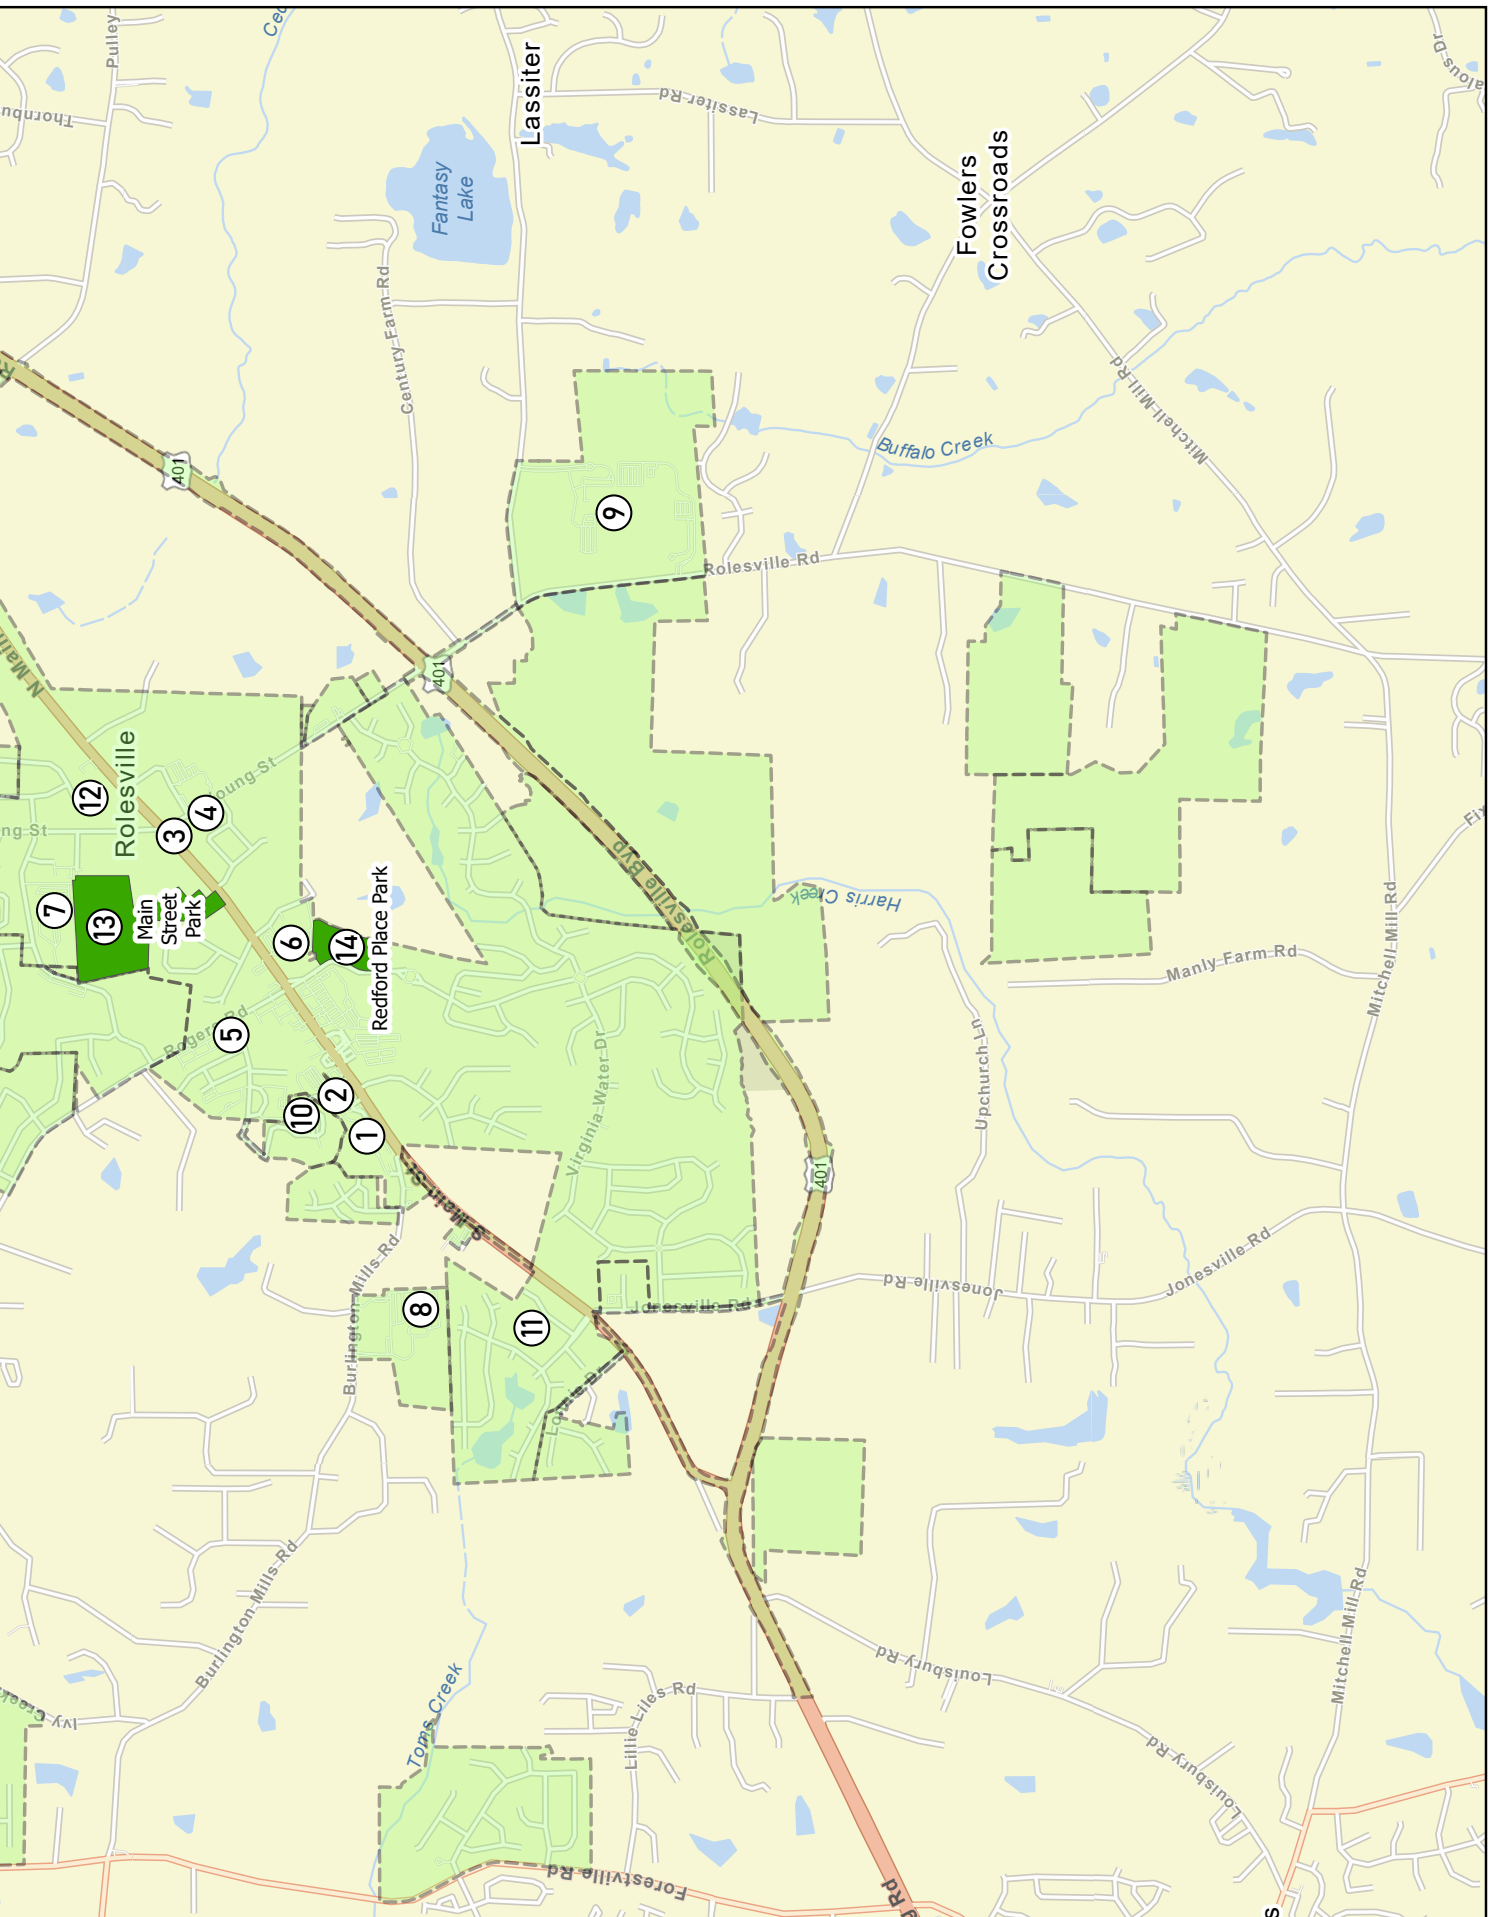

YOUTH LEADERSHIP ROLESVILLE

Rolesville Youth Leadership is intended to become a staple in the Rolesville Community. Each year, a selected group of local High School students learn not only what's going on in the business community but, how they can make a difference. The program builds community relations through an in-depth view of cultural, economic, historic, social education and local government resources. Youth leadership meets monthly and experiences topics ranging from Personal Image and Branding to becoming a Financially Savvy Young Adult. The results are that the alumni have made countless contributions to the community and their quality of life.

**CURATOR OF
MEANINGFUL EVENTS**

Hi! I'm Debra Quintyne, certified event curator and designer! All those little planning details that seem so overwhelming to most are exactly the things I love to manage. When serving my clients, there is nothing better than building vendor relationships and applying industry secrets to make dream events come true. Whether you are looking to have an event in your hometown or making it a true destination adventure, I take on all the details so that you can enjoy the process and, of course, your event.
