Frequently Asked Questions

How and where do I register for a program or athletic league?

Register in Town Hall or on our website, just look for "[Event/Class Registration](#)".

When can I register for programs?

For programs that require it, registration typically opens 6 to 8 weeks before the program start date and ends one week before the program start date. We have some programs that operate on a "drop-in" basis. Check the program description for details.

When can I register for an athletic league?

Athletic program registration must be done during the resident and/or open registration periods.

How can I pay for registration?

Registrations completed online must be paid for with a credit card. Registrations completed at Town Hall may be paid by credit card, cash or check.

I signed my child up for a sports league, when will the practice/game schedules be released?

The number of teams in each league is determined by how many participants register. Once registration ends, you will be notified by email as soon as the information is available. Please remember to make sure that your contact information in your REC1 account is always up to date!

What does "R and NR" stand for?

R stands for Resident and NR stands for Non-Resident. Some, but not all programs and classes have a discounted rate for Town of Rolesville residents. A "Rolesville" address does not necessarily mean that you live in the corporate limits. Please call Parks and Recreation if you have questions.

Is there a Resident discount?

Most of our programs offer a discounted rate for Town of Rolesville residents. The discount is usually \$10 to \$15 but there are some exceptions: For youth athletics, the resident discount is \$27; for camps, the discount is \$20. Resident discounts for shelters and the community center vary by space and location.

How do I rent a facility? (park shelter or community center)

Facilities can be booked and rented online by going to www.RolesvilleNC.gov, and scrolling down to "[Event/Class Registration](#)". The Community Center at Town Hall and Mill Bridge Nature Park Amphitheatre requires an additional form be submitted first. Please call 919-554-6582.

How can I stay informed about Town events, meetings and general information?

Go to www.RolesvilleNC.gov and click the "[Sign up for Notifications](#)" button to enroll in our NewsBlast email notification system.

Juneteenth

Celebration

JUNETEENTH CELEBRATION

Wednesday, June 19th

Join us to celebrate Juneteenth! The celebration will highlight African American culture and local businesses. There will be food, activities, music, dancing, and more!

Mill Bridge Nature Park..... 5:00 PM - 8:00 PM

What is Juneteenth?

Juneteenth is the oldest known celebration commemorating the end of slavery in the United States. A combination of the words "June" and "nineteenth," Juneteenth commemorates Union Major General Gordon Granger's reading of the 'General Order Number 3' in the City of Galveston, Texas freeing enslaved people on June 19, 1865. The reading of 'General Order Number 3' came 2 and a half years after President Abraham Lincoln enacted the Emancipation Proclamation on September 22, 1862. News and enforcement of the proclamation had been slow to reach remote areas of the United States.

Today, Juneteenth celebrates African American freedom and achievement, while encouraging continuous self-development and respect for all cultures.

“The Farm” Park

11624 Louisburg Road

Where is Parks and Recreation in Rolesville headed? Well it turns out, just to the end of N. Main Street on Hwy 401! The Town of Rolesville is in the middle of a multi-year process to build the Town’s newest recreation area, The Farm park (working title, likely to change). The master plan for this 116 acre park was completed in 2020 and the construction drawing phase is in full swing, with 30% construction drawings completed summer 2021.

The park will consist of a combination of recreation facilities including baseball/softball, and multipurpose fields as well as indoor and outdoor event spaces, dog park and agritourism area. The master planning process has revealed The Farm park has the potential to be a regional destination for a diversity of users.

A rich archaeological and cultural history combined with athletic offerings and iconic event space, positions The Farm park as a premier destination for families, tournament players, performers and artists, history lovers, nature seekers, and event planners. We are very excited to see what the future holds for The Farm park and our community. We think you’ll be excited, too!
