Giant Adirondack Chair

By: Joshua Lieberman

+ Troop 141

Rolesville, NC

Fall 2022

- This chair will be approximately 3 times the size of a standard Adirondack chair.
- Kids and adults love climbing up to the big chair.

Great photo opportunity!

About me...

- Born and raised in Rolesville, NC
- 15 years old, sophomore at Rolesville High School, member of RHS Business Academy
- Have earned 21 scouting merit badges
- Current Assistant Senior Patrol Leader of Troop 141, the unit's Order of the Arrow Representative, and former Patrol Leader

Why am I doing this?

[This Photo](#) by Unknown author is licensed under [CC BY-SA](#)

I'm building this chair as a way to say "Thank You" to the Town of Rolesville. Growing up here is a privilege and has shown me that our town is really special. I would like to add my own addition to show how much I love it.

Giant Adirondack Chair Examples Around Town

Snoopy's, Wake Forest Road

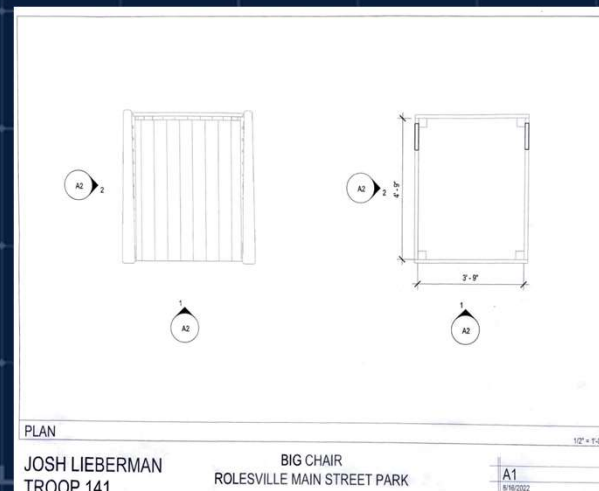

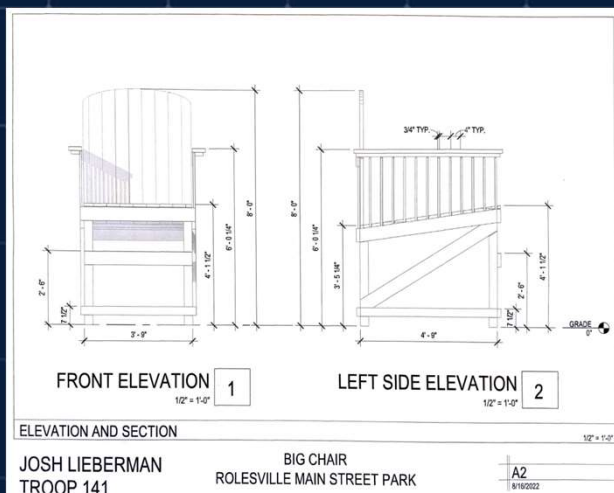

Moore Square, Downtown Raleigh

About The Chair

- Estimated Cost \$350*, paid for with Scout Account Funds + Fundraising as needed
- Dimensions 8' High, 4' Wide, 5' Deep, with a ladder feature on front legs for easy access
- Painted in the town colors, and/or feature the town logo
- Estimated Length of Life, 6-8 years

*Lowes Home Improvement Store August 2022

Suggested Locations

1. Larger playground
2. Between shelters by main parking lot
3. Between playground & Cobblestone or old secondary parking entrance
4. Where Trail "A" is cut off by Cobblestone
5. Shelter D or entrance by Shelter D
6. Near Sanford Creek Elementary by the wooden bridge
7. Rear Cobblestone entrance area near "push up bar"

Location Suggestions

#1 by larger playground

#2 in between two shelters by
the main parking lot

Location Suggestions

#3 between playground and
Cobblestone

#3 at the old secondary parking
entrance

Location Suggestions

#4 where Trail "A" is cut off by Cobblestone

Location Suggestions

#5 Shelter "D"

#5 entrance by Shelter "D"

Location Suggestions

#6 Near Sanford Creek Elementary by the wooden bridge

Location Suggestions

#7 Estimated lower entranceway to Cobblestone by “pushup bar”

#7 a little further towards the front of the park along Cobblestone border

Construction & Maintenance

- Painted and made from pressure treated lumber
- Built and assembled offsite by Troop 141
- Estimate 12-16 hours to complete project
- If town is unable to assume responsibility for maintenance, then Troop 141 will inspect chair annually.

Safety While Building

- A first aid kit will be easily and readily available if someone is injured
- Safety Gloves and Glasses will be provided to avoid any injuries involving wood, nails, screws, etc.
- Water, food, and shade will be available to ensure that heat exhaustion or heat related injuries occur
- Numerous breaks will be encouraged in case of someone getting too tired
- My Eagle Coach (Andy Lowery) and I will teach the scouts attending how to handle and put away tools to prevent any accidents

Questions?

Thank you for your time

Director: JG Ferguson

Athletic Program Coordinator: Garrit Soney

Special Event Coordinator: Kristen Stafford

Project & Facilities Updates

- Continued work of invasive removal and sight line improvements at Main Street Park trails.
- Began to receive estimates and work towards installing security cameras in Town Park parking lots.
- 14 greenway wayfinding signs along Sanford Creek Greenway were re-lettered and repairs to several signs were made at Main Street Park.
- Started new pest contract with Capital Pest. Inc. for FY23-23.
- Contracted out repairs to Rolesville Middle School irrigation system. Work took place over 4 days and was completed on July 16th. A few additional leaks were found and repaired both by Town staff and contractor.
- Work to install new lights at Field C at Redford Place Park began, and three lights were installed. The remaining two lights, boring work and the completion of the project will take place in August.
- Worked with contractor to make needed repairs to Carlton Pointe Greenway.
- Coordinated with Willoughby HOA to remove two large dead trees along greenway.
- Scheduled work to remove dead trees around playground at Main Street Park. Work will be completed in the beginning of August.
- Continued research into installation for pollinator gardens for Rolesville; met with local gardeners and garden groups for input.
- Worked with McAdams to begin to finalize 100% CD for entrances for the Farm Park.
