Commissioner Whitaker

It is an honor for me to present to you the proposed budget for the Town of Rolesville's fiscal year beginning July 1, 2016 and ending June 30, 2017. This budget has been prepared in accordance with the North Carolina Budget and Fiscal Control Act. It is balanced and identifies all revenue and expenditure estimates for the upcoming fiscal year.

The Town of Rolesville Mayor, Board of Commissioners, and staff have worked hard to lay a sustainable foundation for our community. Department Heads have again done an excellent job in withholding current spending and being the best stewards possible of the taxpayer's money. For a long time now, hard decisions have been made to make this community the best place to live, work, and play for many years to come. The sky is the limit for the future of this wonderful town we all call home.

This annual budget process is influenced by external factors including the condition of the local, state, and national economies; the emergent and pre-emergent needs identified in our community by you (the Mayor and Board), staff, and advisory boards; and the most recent Wake County Department of Revenue Revaluation. All these factors are considered in this budget and this document represents a tremendous amount of careful consideration, thought, and study. I am confident that it will allow the Town to meet its obligations, fulfill its goals, and remain fiscally strong.

Estimated revenues for the 2016-2017 fiscal year are higher than the current budget year but the demands for our growing community are mounting even larger. The estimated total property tax levy is \$3,500,000 and is within the North Carolina General Statutes requirement using the collection rates of 99.7%.

I am proposing that the tax rate be increased \$0.02 so as to keep the budget revenue neutral. That will take the rate from \$0.44 per the \$100 assessed value to \$0.46. This increase evolves from the recent Wake County revaluation project. The average price of a home in Rolesville is \$276,000. Due to the revaluation, some residents may pay less in taxes and others pay a little more.

We are at a crucial crossroads between the past, present, and future. The biggest challenge that Rolesville has in the future is finding the proper balance of residential versus commercial tax base. Commercial properties bring in higher revenues with both property and sales taxes. They have less demand on services as well. The Town of Rolesville is currently 86% residential and 14% commercial, which is the least economically sustainable ratio in Wake County. Residential development continues to be strong as the number of building permits for new homes continues to rise. We are projecting 150 new single family homes permitted this fiscal year.

Our growth percentage is one of the largest in the state. We have been named one of the top seven "boom towns" in the entire United States by *Realtor.com*. We must however attract more commercial and industrial development to be viable and sustainable and this budget addresses that.

This proposed budget includes the following elements.

- Replacement of three handheld 800 MHz radios within the Police Department
- One investigator position within the Police Department
- One replacement and one new patrol vehicle within the Police Department
- One new Planner position within the Planning Department (1/2 year for FTE or full year for PTE)
- One new Economic Developer position within the Administration Department (1/2 year)
- Part time employee assistance within the Public Works Department
- Asphalt resurfacing of Teresa Drive, Perry Street, Watkins Farm Road, Siron Circle, and Blueberry Circle
- Security system upgrades to the Town Hall facility
- Computer upgrades within the Administration Department
- Conversion of Duke Energy street lights around the community to LED bulbs

One of our municipal government's most important assets is our employees. The budget has a 1% cost of living adjustment (COLA) based on CPI data. At mid-year, every employee is also eligible for a merit increase up to 5%. The Town of Rolesville employees work hard and we have a great team of dedicated individuals who deserve compensation for the time and energy put into their assigned responsibilities.

The Town of Rolesville is at a crossroads. We have record residential growth and the demands are coming right along behind it. I am confident with this budget, that we are taking the right path for a vibrant and sustainable future.

Respectfully submitted,

Bryan Hicks Town Manager

NOTE:

The above budget message was presented to the Town of Rolesville Mayor and Board of Commissioners on May 17, 2016. During that meeting, the elected officials discussed and eventually directed the Manager to amend the budget to include the \$0.02 revenue neutral tax increase and an additional \$0.02 for additional needs that had been cut or reduced from the Department Head's initial requests. That is a \$0.04 tax increase taking the rate from \$0.44 to \$0.48 per the \$100 tax assessed value. This document reflects and acknowledges those changes which were adopted on June 6, 2016 after the public hearing.

Budget At A Glance Fiscal Year 2016-2017

Revenues

- Property tax rate of \$0.48 (\$.02 to be revenue neutral and an additional \$.02 to meet demands)
- No fee increases with waste collection service or development related items

Administration

- Add (1) Economic Development Officer (operating costs not included)
- Town Hall computer server upgrade and backup system
- Security system and lighting improvements to Town Hall

Planning

• Add (1) Planning Technician

Police

- Reclassification of Police Sergeant to Police Lieutenant
- Add (1) Police Investigator
- Implementation of new document management system
- Routine vehicle fleet replacement per schedule
- Routine radio replacement per schedule

Public Works

- Street light conversion from standard to LED bulbs within Duke Energy service area
- Pavement resurfacing of Teresa Drive, Watkins Farm Road, Siron Circle, Blueberry Court, and Perry Street

Parks and Recreation

- Security system and lighting improvements to Community Center
- Expansion of non-athletic programming and special events
- 15 Passenger Van for programming needs

Special Appropriations

- Town Hall Campus preliminary design
- Membership agreement with Chamber of Commerce

Vision for Grant Applications (not reflected in budget)

- Two (2) Traffic Enforcement Officers for the Police Department
- PARTF Grant for development of Mill Bridge Park

Revenue Neutral Tax Rate

STATE LAW

State law requires local governments to publish a revenue-neutral tax rate in the budget immediately following the completion of the reappraisal of real property. The revenue-neutral tax rate, as defined by GS 159-11(e), is the rate that is estimated to produce revenue for the next fiscal year equal to the revenue for the current fiscal year if no reappraisal had occurred.

It is important to note that even with a revenue-neutral tax rate, property owners will usually pay a different amount after a revaluation, depending on whether the individual's change in valuation was larger or smaller than the change in valuation for the jurisdiction as a whole.

CALCULATING REVENUE-NEUTRAL

Step 1: Determine the average annual percentage change in the tax base since the last general reappraisal. See Table 1.

This estimates the growth that would have naturally occurred absent revaluation. This "natural growth" is driven by changes to the real property tax base from construction of new homes and businesses, improvements to existing structures, divisions and conveyances of land, rezoning, and other occurrences unrelated to economic conditions affecting the taxing unit.

Step 2: The second step is to increase the current year FY15-16 estimated property tax levy by the growth factor in Step 1 to determine

a projected FY16-17 tax levy. This calculation shows what the tax levy might have been had revaluation not occurred. See Table 2.

Step 3: The third statutorily prescribed step is to use the post-revaluation FY16-17 tax base projection provided by the County tax assessor to calculate a tax rate that would produce the levy that was determined in Step 2. The Wake County tax assessor's early projection for the Town of Rolesville tax base in FY16-17 is \$781,575,000. See Table 3.

Note that this is a preliminary valuation of the Town's tax base for the upcoming fiscal year. The property valuation process extends beyond the date when the revenue neutral rate must be calculated.

Comparison of General Fund Revenues

Comparison of General Fund Expenditures

Major Sources of Revenue

AD VALOREM

- Ad valorem taxes are taxes paid on the real and personal property located within the Town's corporate limits. Taxes for real and personal property are levied based upon the preceding January 1 valuations and the tax rate established by the Town. These taxes are billed and collected by Wake County on Rolesville's behalf. FY16-17 ad valorem revenues are based upon the revenue-neutral tax rate plus an additional 2 cents...
- Motor vehicle ad valorem taxes are paid on the motor vehicles located within the Town's corporate limits. Vehicle taxes are billed and collected by the Department of Motor Vehicles at the same time as the vehicle registration. FY16-17 ad valorem taxes are based on the growth projected by the Wake County Revenue Department.

TAXES AND LICENSES

- The **local option sales and use tax** is levied by the Wake County Board of Commissioners and is collected by the State of North Carolina on behalf of the County. The local option sales tax rate of 2¢ consists of three separate taxes that are authorized by North Carolina General Statutes: Article 39 1¢ tax, Article 40 ½¢ tax, and Article 42 ½¢ tax. FY16-17 sales tax revenues are conservatively budgeted based upon current year actual receipts.
- By local act, the Town of Rolesville is authorized to levy a **motor vehicle license tax** of \$10 on any vehicle residing in the jurisdiction. This tax is billed and collected by Wake County, in conjunction with the annual property tax bill. FY16-17 revenues are based on the growth projected by the Wake County Revenue Department.

INTERGOVERNMENTAL

- The **franchise tax** is a combination of taxes on telecommunications sales, gross receipts of electric power sales, gross receipts of video programming sales, and an excise tax on piped natural gas. The State of North Carolina distributes these funds to the Town on a quarterly basis. *FY16-17 revenues are conservatively budgeted based upon current year actual receipts.*
- **Powell Bill** revenues are the annual appropriation from the State Highway Fund for the proceeds from a 1¾¢ tax on each gallon of motor fuel sold in the state. The Town's annual distribution is based on two factors: a per capita rate and the number of street miles maintained within the Town's corporate limits. The State restricts the use of these funds to primarily the resurfacing of streets. *FY16-17 revenues are conservatively budgeted based upon current year actual receipts.*

PERMITS & FEES

• This revenue is composed of **development-related permits and fees** charged to developers, builders, and homeowners for new construction and additions/alterations to property. FY16-17 revenues are based upon continued moderate growth within the Town limits. Staff estimates 150 new single family dwelling permits this fiscal year.

SALES & SERVICES

- The primary source of revenue in this category is **solid waste fees**. These fees are billed to homeowners on a bi-monthly basis, and represent the cost recovery of providing curbside garbage, recycling, and yard waste collection to Town residences. State statutes restrict the use of these funds to the provision of solid waste services. FY16-17 revenues are based upon continued moderate growth, and all revenues are offset by corresponding solid waste service expenditures.
- Also included in this category are recreation user fees from cultural program registration, athletic program
 registration, facility rentals, and other special events. FY16-17 revenues are based upon limited growth, as
 many athletic programs have maximized the space available.

Elected Officials

The Rolesville Board of Commissioners is the Town's governing body, consisting of a Mayor and five (5) Commissioners elected to serve staggered four-year terms. The Board provides leadership and strategic vision for the Town. The Board considers and adopts policy, ordinances, and resolutions to provide for the health, safety, and overall quality of life for all Rolesville citizens.

Administration

The Administration Department executes the mission of the Board to promote, enhance, and sustain the quality of life for residents, businesses, and visitors. Functions included in this department encompass Town day to day management, public records, human resources, financial management, and solid waste billing and collections.

Planning

The Planning Department provides research and advisory services related to the development of the Town. The primary functions of the department are land use and development, long range planning, permitting compliance with State building code, and code enforcement. The Planning Department is responsible for the administration, interpretation, and enforcement of the Unified Developent Ordinance (UDO). Staff also provides support to the Planning Board and Board of Adjustment.

Public Works

The Public Works function contributes to citizen safety by maintaining Town infrastructure. These duties include maintenance and repair of public streets, rights of way, storm drainage, street signs, park facilities, and other Town buildings and grounds. Other major expenditures included in this program include contracted solid waste collection (garbage, recycling, yard waste), street lighting, and the Powell Bill resurfacing program. Such duties are not the responsibility of the Department's staff but are logically under the overall infrastructure maintenance.

Parks and Recreation

The Parks and Recreation Department seeks to enhance the quality of life for Town residents by providing recreational areas and quality programming. The department's major functions include park facility development and maintenance, athletic programs, cultural programs, summer camp, special community events, and facility rental.

Utility Reserve Fund

The Utility Reserve Fund reflects revenues received by the Town related to the development of water and sewer infrastructure. A portion of these revenues are collected on behalf of the City of Raleigh, who maintains and operates the water and sewer system within the Town. The remainer of the revenues are collected as water and sewer impact fees from new development which are used for future potential capital improvments to the water and sewer infrastructure.

Capital Projects Fund

This Capital Projects Fund reflects revenues received by the Town as impact fees from new development for public recreation and road infrastructure. These funds are expended on capital improvements to recreation facilities, greenways, bikeways, streets, sidewalks, and other allowable projects. This fund also includes revenues and capital expenditures related to payments in lieu of development exactions and capital grants.

Strategic Indicators

These strategic indicators aid municipal officials in making budgetary decisions. Indicators may reflect changes in economic conditions and the development environment. They are also used to monitor departmental workload and performance. Many of Rolesville's indicators reflect the high rate of growth that the Town is currently experiencing.

\$1,425,000; issuance 12/28/2015; final					
payment due 12/28/2030; 2.77% interest					
Debt Service Total	\$277,602.08	\$222,723.18	\$218,844.31	\$193,825.40	\$123,946.50

NET DEBT LIMIT

The Town is subject to the Local Government Bond Act of North Carolina, which limits the amount of outstanding net bonded debt to 8% of the assessed value of property subject to taxation. The Town's net debt as a percentage of assessed valuation is projected to be about .32% at June 30, 2016.

DEBT SERVICE RATIO

This debt service ratio is the total amount of debt payments as a percentage of total annual expenditures. A high ratio can impact service provision by reducing spending flexibility. The Town's debt service ratio for the General Fund in the upcoming FY 2016-17 budget year is projected to be about 4%.

Fund Balance

Fund balance is the difference between current financial assets and liabilities reported in a fund. Fund balance is an important tool to avoid cash flow interruptions, generate investment income, eliminate the need for short-term borrowing, and act as a reserve for emergencies.

The Town Board of Commissioners has an internal fiscal policy of maintaining an unrestricted fund balance of 33% of General Fund expenditures. In addition, the North Carolina Local Government Commission (LGC) monitors the available fund balance of local government units. The LGC will send notice to a governing board when the available fund balance as a percentage of General Fund expenditures falls below an average range of similar-sized communities in the state.

GENERAL FUND – UNRESTRICTED FUND BALANCE

	FY11-12	FY12-13	FY13-14	FY14-15	FY15-16	FY16-17
	ACTUAL	ACTUAL	ACTUAL	ACTUAL	PROJECTED	BUDGETED
Unrestricted Fund Balance	\$1,128,934	\$1,527,089	\$2,373,915	\$2,243,414	\$2,443,414	\$2,454,069
Unrestricted Fund Balance as a	31%	40%	60%	41%	44%	39%
% of General Fund						
expenditures						

As a rapidly growing municipality, Rolesville's General Fund expenditures are increasing each year. As the General Fund expenditures grow, the amount of unrestricted fund balance required to maintain a level within fiscal policy also grows. One method the Town has used to continuously increase its fund balance level is to slightly over budget expenditures and conservatively estimate revenues.

RESTRICTED FUND BALANCES

	FY11-12	FY12-13	FY13-14	FY14-15	FY15-16	FY16-17
	ACTUAL	ACTUAL	ACTUAL	ACTUAL	PROJECTED	BUDGETED
Powell Bill	\$360,702	\$386,329	\$433,689	\$357,395	\$499,584	\$363,584
Law enforcement restricted		\$12,210	\$1,294	\$1,294	\$1,444	\$1,444
Water/Sewer Fees Reserve				\$473,293	\$692,158	\$1,020,658
Thoroughfare Fees Reserve	\$252,378	\$393,678	\$456,578	\$483,079	\$702,375	\$1,010,875
Park Fees Reserve	\$447,440	\$867,498	\$1,073,692	\$1,155,660	\$1,594,978	\$1,908,478

This chart shows the relevant restricted fund balances used in making long-term budget decisions. The General Fund includes restricted fund balances for Powell Bill revenues as well as drug forfeiture funds. The Utility Reserve Fund and Capital Project Fund continue to accumulate fund balance as a result of high growth and new development within the Town limits.

Fiscal Policies

BUDGETARY POLICY

- In accordance with state statutes, the Town will adopt a balanced budget ordinance each year. A budget is balanced when the sum of net revenues and appropriated fund balance equal expenditure appropriations.
- The tax rate will be set each year based on the cost of providing general governmental services and paying debt service. Consideration will be given to future net revenue requirements due to the impacts of capital improvement projects and programmed debt service.
- The Town sets fees that will maximize user charges in lieu of ad valorem taxes for services that can be individually identified and where the costs are directly related to the level of service.
- Expenditure budgets are reviewed by staff, the Town Manager, and Town Board prior to adoption and are continually monitored throughout the budget year. Budgeted funds will only be spent for the purposes for which they are intended.
- For continuing contacts, funds will be appropriated in the annual budget ordinance to meet current year obligations arising under the contract, in accordance with North Carolina General Statues.

FUND BALANCE POLICY

- Unassigned fund balance refers to funds that remain available for appropriation after all state statutes, previous designations, and expenditure commitments have been calculated.
- At the close of each fiscal year, the Town will strive to maintain a level of unrestricted fund balance of no less than 33%, which translates to a minimum of 4 months, of general fund expenditures. Any excess funds may be utilized for other municipal purposes, such as but not limited to additional capital improvement needs, debt reduction, and emergency situations.

CAPITAL IMPROVEMENT POLICY

- The Town will update an annual five year capital improvements program which details each capital project, the estimated cost, description, funding source, and effect on the Town's operating budget.
- The capital improvements program will generally address those capital assets with a value exceeding \$5,000 and a useful life of over five years.
- Restricted revenue sources will be utilized whenever possible before unrestricted sources.

DEBT POLICY

- The Town will utilize a balanced approach to capital funding using debt financing, fund balance, capital reserves, and pay-as-you-go appropriations.
- No appropriations of the proceeds of a debt instrument will be made except for the purpose for which such debt instrument was intended. Debt financing will not be used to finance current operating expenditures.
- Capital projects financed through the issuance of bonds will be financed for a period not to exceed the
 expected useful life of the project.
- The sum of general obligation debt and installment purchase debt of the Town will not exceed the North Carolina statutory limit.
- The Town will strive to maintain debt funding flexibility to maximize capacity for both identified and unanticipated capital needs and opportunities.

Budget and Fiscal Framework

BASIS OF ACCOUNTING

The budget is prepared using the modified accrual basis of accounting for all funds. This approach recognizes revenues when they become measurable and available and expenditures at the time liability is incurred. All revenues and expenditures must be included in the annual budget ordinance or the appropriate capital and/or grant project ordinances. Any operational appropriations that are not expended or encumbered shall lapse.

BUDGET CALENDAR

The North Carolina Budget and Fiscal Control Act (NCBFCA) establishes the dates by which each stage in the annual budget process is to be completed:

- Departmental requests must be submitted to the Budget Officer by April 30
- Revenue requests must be submitted to the Budget Officer by April 30
- The recommended budget must be submitted to the Governing Board by June 1
- The Governing Board must adopt the annual budget ordinance by July 1

DEPARTMENTAL REQUESTS

The Budget Officer (Town Manager) gives department heads their operating budget materials and instructions in February. Department heads are responsible for estimating departmental expenditures and revenues.

RECOMMENDED BUDGET

After careful assessment of organizational needs and priorities, the Town Manager presents a balanced proposed budget to the Town Board. As required by the NCBFCA, the budget also includes a budget message which sets out the Town's goals for the coming year, important features of the activities anticipated in the budget, set forth reasons for changes in programs, and explain major changes to fiscal policy.

BUDGET ADOPTION

The Board reviews the recommended budget with the Town Manager and staff. A copy of the proposed budget is filed with the Town Clerk and is also available on the Town's website. A public hearing is scheduled prior to the formal adoption of the budget. Adoption of the budget ordinance by the Town Board establishes legal authority to incur expenditures in the ensuing fiscal year.

BUDGET AMENDMENTS

After adoption of the budget ordinance, the Budget Officer (Town Manager) is authorized to transfer appropriations of up to \$5,000 between line items within the same fund. These transfers, however, require a report to the Town Board at least quarterly. All other revisions or budget amendments must be approved by the Town Board through legislative action.

Budget Glossary

- Appropriation: The legal authorization granted by the Town Board to spend or obligate money for specific purposes.
- Capital Improvements: Any expenditure for equipment, buildings, infrastructure, land or other asset with a value of \$5,000 or greater and a useful life of more than one year.
- Capital Improvement Plan (CIP): A long-range plan of proposed capital improvements, which includes their
 costs and funding sources. The plan is updated annually to reassess capital needs.
- Contingency: A budgetary reserve set aside for emergencies or unforeseen expenditures not otherwise budgeted.
- Debt Service: The obligation to pay the principal and interest of all debt instruments according to a predetermined payment schedule.
- **Encumbrance:** A financial commitment for services, contracts, or goods which have not yet been delivered or performed.
- Exaction: Infrastructure projects required from a developer as a condition of development approval.
- Expenditures: The cost of goods and services.
- **Fiscal Year:** A twelve month time period which determines the time frame for budgeting, accounting, and financial reporting. The fiscal year for Rolesville is July 1 to June 30.
- Fund: An accounting entity with revenues and expenditures that are set up to carry out a specific function or
 objective.
- Fund Balance: Monies that remain unspent after all budgeted expenditures have been made.
- **General Fund:** The fund which accounts for most of the basic government services such as public safety, parks and recreation, streets and highways, sanitation, and administration.
- Impact Fee: A fee imposed on new development to pay for public infrastructure projects necessary to support the new development. The Town of Rolesville has a local act from the North Carolina legislature which allows it to impose impact fees for specified purposes.
- Infrastructure: Public infrastructure refers to the physical structures required to support a community, which are owned by the public and are available for public use. Examples include streets, sidewalks, bridges, greenways, and parks.
- Levy: The amount of tax, service charges, or assessments imposed by a unit of government.
- Installment Agreements: A method of purchasing or a loan in which payments are spread out over a multiyear period.
- Modified Accrual Accounting: An accounting method whereby revenues are recorded when they are measurable and available and expenditures are recorded when the liability is incurred.
- Restricted Funds: Grants, entitlements, or shared revenues which are legally restricted to specific uses.
- Revenues: Actual or expected income.
- Transfer: The movement of money from one fund to another fund for the purpose of wholly or partially supporting the functions of the receiving fund.

A.

Town of Rolesville Fee & Charges Schedule

Effective July 1, 2016

These following fees due are based upon the Fees & Charges Schedule in effect at the time you pay. The Fees & Charges Schedule is subject to change at the discretion of the Town Board. For further questions, please call Town Hall at 919.556.3506 or the Town's official website at http://www.RolesvilleNC.gov.

В. CONSULTING AND OTHER ACTUAL COSTS

1. **Consulting Engineer Review**

This is to fund the re-imbursement costs incurred by the Town of Rolesville for the Town's Consulting Engineer to review and provide comments/recommendations on development plans. This would include (but is not limited to) the review of site and subdivision plans, field inspections, construction drawings, meetings, and special projects. These fees will be due upon invoice.

Fee is actual cost from Engineer

2. **Town Attorney Review**

This is to fund the re-imbursement costs incurred by the Town of Rolesville for the Town's Consulting Attorney that are above and beyond those costs covered by the retainer agreement. This would include (but is not limited to) the review of legal documents, preparation for court cases, and meetings. These fees will be due upon invoice.

Fee is actual cost from Attorney

C. **DEVELOPMENT IMPACT FEES**

1. Residential Utility Connection Fee

> This fee is due upon final plat approval for new subdivisions (whether major of minor) or upon approval of a building permit application.

Water Α

> \$1,095/unit 1. Single and two family residential dwelling Multi-family residential dwelling \$1,095/unit 2.

В Sewer

> \$1,095/unit Single and two family residential dwelling 1. \$1,095/unit 2. Multi-family residential dwelling

2. Non Residential Acreage Fees

This fee is due upon final plat approval for new subdivisions (whether major of minor) or upon approval of a building permit application. The acreage fees assist in the funding of the future cost of the maintenance of the line.

\$1,350/acre (\$550 minimum charge) Α Water \$1,350/acre (\$550 minimum charge) В Sewer

3. Non Residential Capacity Fees

This fee is due upon final plat approval for new subdivisions (whether major or minor) or upon approval of a building permit application. These capacity fees assist in the funding of the water and sewer capacity allocated to Rolesville

Α Water based upon the applicant providing the number of fixtures and approval by the Town Engineer \$10/gallon/day. This fee will be R Sewer based upon the applicant providing

the number of fixtures and approval

\$10/gallon/day. This fee will be

by the Town Engineer

Note: There may be additional fees associated with things like meters, taps, capital facility fees, etc. referenced per the City of Raleigh Fee schedule which can be obtained by calling 919.996.4540.

4. Recreation – Open Space

This fee is due upon final plat approval. It is a payment in-lieu of the dedication of land as required by the Unified Development Ordinance. The Recreation-Open Space fees assist in the funding of the purchase and improvements of open space and recreational real property for the Town of Rolesville citizens.

Fee is equal to the fair market value of 5% of the gross acreage

5. Recreation Facility Fee- Per Unit

This fee is due upon building permit approval. The fees are due for all lots within the Town of Rolesville corporate limits.

A Senior multi-family apartments \$1,000/unit

B All other residential uses \$2,190/unit

6. Transportation

This fee is due upon building permit approval. Permission to charge this fee was granted by the North Carolina General Assembly. Its purpose is to assist in the funding of the improvements to the Town of Rolesville transportation system with (but not limited to) roads, sidewalks, bikeways, and trails.

А	Residential	\$2,190/unit
