TABLE 2

IMPORTANT: Please observe the social distance guidelines by staying in your yard/driveway or in your vehicle, parked on the side of the road.

The numbers in **TABLE 1** below, correspond to the numbers on the map. The times and locations are an estimate only and reflect the estimated time of arrival for the first vehicle in line.

TABLE 2 on the right, lists the streets that we will *partially* be traveling on. Duplicates and main roads (Main St, Jonesville Rd, Young St, Jones Dairy Rd) have been omitted from this table but are shown on the map. If you do not live along the route, please feel free to park along the route and view the tour from your vehicle. Please do not block driveway and continue to observe social distancing measures. Please allow plenty of time to reach your desired viewing area since once the parade begins it may be difficult to access certain areas until it passes by.
