November 6, 2026

Dear Vendors,

Thank you for joining us for the Town of Rolesville's annual Fall FunFest! The festival takes place Saturday, November 14th, from 11:00 AM to 4:00 PM. You'll find street vendors along both sides of Redford Place Drive and in the Redford Place Park parking lot, plus food trucks and beer and wine vendors on Marvin Perry Field. Enjoy family games, inflatables, and music from a DJ throughout the day!

This packet includes a vehicle check-in document, an alphabetized and numbered vendor list, a vendor layout and map, a festival map, check-in details, vendor parking information, cleanup instructions, a detour map, and the event flyer.

8:00 AM	Vendors 1–19

Unloading & Parking Procedures

- **Dashboard Permit:** Print page 5 of your packet, write your booth name and number clearly, and *display it on your dashboard* so the police officer blocking the road can clear you for entry. If you cannot print this, email KStafford@rolesvillenc.gov in advance.

- **Finding Your Booth:** A Rolesville volunteer or staff member will greet you and assist with check-in. After checking in, locate your booth using the spray-painted markers on the road. If you are unable to find your booth location, ask a Volunteer or Staff member for assistance.

- **Unload First, Set-Up Second:** Drive to your booth, unpack all belongings onto the asphalt/grass immediately, and move your vehicle to the parking lot *before* you begin setting up. Setting up while unpacking blocks the single-lane road and halts traffic. Volunteers can help you unload your vehicle.

- **Vendor Parking Location:** Located in the grassy field at *201 S Main Street*. To get there, turn right onto School Access Street, go to the end, turn left onto School Street, and the lot will be on your right just before Rolesville Elementary.

- **Vehicle Limits:** Each booth is permitted up to *two vehicles* in the vendor lot. Excess vehicles must park at Rolesville Elementary School or Main Street Park. Vehicles may leave the vendor lot during the festival via Main Street.

- **Strict 10:00 AM Cutoff:** Check-in closes precisely at 10:00 AM, at which point Redford Place Drive closes entirely to vehicles. If you arrive after 10:00 AM, you may not drive to your booth; you must park in vendor parking or Rolesville Elementary and carry your supplies to your space. No setups are permitted after the festival opens at 11:00 AM. No refunds will be issued for lateness or no-shows.

Clean Up, Waste & Exit Instructions

- **Early Departures:** If you must leave before 4:00 PM, you must pack up and manually carry your belongings to your car. No vehicles may enter the festival street before the event concludes. To leave early, vendors should exit to Main Street via the vendor parking area.
- **Evening Pack-Out:** Vehicles will be allowed back on the street starting around **4:15 PM** (once pedestrian traffic clears). You must completely pack down your booth *before* bringing your vehicle over to keep traffic moving. Double-check that you have all your items, as anything left behind will be discarded.
- **Traffic Pattern:** All exit traffic must flow in a single direction on Redford Place Drive: from School Street, past the traffic circle, and out via Virginia Water Drive.
- **Teardown Deadline:** All vendors must be packed and completely off the street by **5:30 PM**. To ensure public safety and timely road reopenings, the Town of Rolesville Finance Department will issue an *invoice for $40 per half-hour* for vendors remaining past 5:30 PM.
- **Waste Disposal:** Trash cans will be placed throughout the festival area; please use them to dispose of trash during and after the event. Do not overflow the trash cans or leave bags beside them. Food vendors must use the unlocked commercial dumpster located in the Redford Place Park parking lot for all major waste. Anything left behind at your booth spot will be discarded.
