## Map Amendment Application

### Rezoning Justification

The subject parcels are currently within Wake County's jurisdiction and are included in Ordinance #2001-05, the 'Ordinance Establishing an Annexation Agreement between the Town of Rolesville, North Carolina and the Town of Wake Forest, North Carolina,' in which they are within the Town of Rolesville's jurisdiction for annexation. The parcels are not within the Town of Rolesville's Future Land Use Plan. The map amendment application for Residential III District (R-III) is requested for the establishment of a residential district in which the principal use of the land is for high density, pedestrian friendly residential purposes to support the growing need for housing within Wake County. The primary use in the immediate vicinity along this corridor is residential, and thus, the map amendment will be in harmony with surrounding developments. Adequate public infrastructure exists in the area, and the site will be developed according to the Town of Rolesville's Unified Development Ordinance, which will ensure that the proposed uses do not adversely affect adjoining uses.
