Provide written responses to ALL the comments received; responses should reference If/how/on what sheet was comment addressed; mark-up to mark-up is fine. 2. Bubble/cloud any revisions made – these will be removed on the final/recordable version. 3. Revise all dates on all materials – keep original/initial dates as well (build the dates). 4. Add FSP-25-15 somewhere consistent on ALL sheets. 5. Add a 1st sheet note (#9 or in a stand alone text box) that describes, explains the purpose of this Recombination, including the BM/PG of the original recording of these subject lots. | |
