Voluntary Annexation- A voluntary process initiated by landowners to join the towns limits and acquire city services.

§ 160A-31. Annexation by petition.

The governing board of any municipality may annex by ordinance any area contiguous to its boundaries upon presentation to the governing board of a petition signed by the owners of all the real property located within such area. The petition shall be signed by each owner of real property in the area and shall contain the address of each such owner. The town shall advertise in the local newspaper at least 10 (ten) but no more than (25) twenty-five days prior to the public hearing.

Vested Rights – Site-specific vesting plans are commonly tied to existing development approvals such as special use permits, and subdivision plats. Vesting rights must include a sufficient level of detail, as outlined in the statutes, and must be identified and approved through a legislative hearing.

NC General Statutes require petitioners of both contiguous and satellite annexations to file a signed statement declaring whether vested rights have been established in accordance with G.S. §160D-108 and G.S. §160D-108.1 for properties subject to the petition. Do you declare vested rights for the property subject to this petition?

Yes No

If yes, please submit proof that vested rights have been granted by the governing board. I hereby declare that my failure to disclose the existence of a vested right terminates any vested right previously acquired for this property.
