This request from Ashton Raleigh Residential LLC (the “**Applicant**”), pursuant to Rolesville Unified Development Ordinance (the “**UDO**”) for approval of a site plan for 319 townhomes in the southern portion of a subdivision commonly known as “The Point” came before the Town of Rolesville Board of Commissioners (the “**Board**”) on **February 1, 2022**. The real property that is the subject of this hearing is located south of Louisburg Road and west of E. Young Street, having Wake County Parcel Identification Numbers: 1768 26 6125, 1768 06 7597; 1768 04 4257; 1758 93 0017; and 1768 06 8057 (the “**Property**”).

Based upon testimony of the witnesses, documentary evidence, exhibits, and other evidence presented at the February 1, 2022 evidentiary hearing, **the Board voted 5 to 0 to APPROVE the site plan.**

The Board’s decision to approve the site plan application is based on the following Findings of Fact and Conclusions of Law:

FINDINGS OF FACT

1. The Applicant proposes 319 townhomes on a portion of the Property.
2. The Property is approximately 316± acres.
3. The application and other records pertaining to the site plan application are complete and have been made a part of the record.
4. The Property currently is zoned R&PUD. This zoning allows the uses proposed by the Applicant.
5. The Applicant submitted a Site Plan Application to the Town of Rolesville requesting that the Town approve the site plan consisting of 319 townhomes upon a portion of the Property (the “**Application**”).
6. Following advertisement, the Board conducted an evidentiary hearing on the Application on February 1, 2022 (the “**Hearing**”).
7. Public notice has been provided as required by law.
8. The future land use classification for the Property is Mixed Use Neighborhood Use which is consistent with the request in the Application.
9. The Property is within the Town’s corporate limits and will have fire and police protection as well as public water and sewer. All applicable sections of the UDO are satisfied and met by the proposed plan.
10. The following witnesses were called by the Applicant were qualified as experts in their respective fields:
 - Mike Sanchez, PE- Civil Engineer
 - Travis Fluitt, PE- Traffic Engineer
 - Richard Kirkland, MAI- Real Estate Appraiser

Collectively, these expert witnesses’ sworn testimony provided that:

- a. Based upon market analysis, the proposed development will not have a negative impact on the value of adjoining property;
- b. Based upon recent development approvals and trends in the area, the proposed development is compatible with the surrounding areas as to the scale, bulk, coverage, density and character of the surrounding neighborhood;
- c. The proposed use will not cause any foreseeable traffic issues related to flow or parking because of existing and planned transportation infrastructure, including the commitments contained within the Application related to road improvements;

- d. The proposed development is consistent with the Comprehensive Plan, other applicable official plans, manuals or documents adopted by the Town;
- e. The proposed use of the Property complies with applicable requirements of the UDO;
- f. The proposed use of the Property is appropriately located with respect to public facilities and infrastructure; and
- g. The proposed use will not materially endanger the public health or safety.

11. No lay witnesses appeared.

CONCLUSIONS OF LAW

1. Based upon the uncontroverted competent, substantial, and material evidence appearing in the record at the Hearing and in the Application, the approval criteria for a site plan contained in Section 3.6.2 of the UDO have been met, specifically:
 - a. The proposed use of the Property will not materially endanger the public health or safety;
 - b. The proposed use of the Property will not substantially injure the value of the adjoining property;
 - c. The proposed use of the Property will be in harmony with the scale, bulk, coverage, density and character of the area or neighborhood in which it is located;
 - d. The proposed use of the Property generally conforms with the Comprehensive Plan and other official plans and manuals or documents adopted by the Town;
 - e. The proposed use of the Property is appropriately located with respect to transportation facilities, water supply, fire and police protection, wasted disposal and similar facilities;
 - f. The proposed use of the Property will not cause undue traffic congestion or create a traffic hazard; and
 - g. The proposed use of the Property will comply with all applicable requirements of the UDO.
2. That based upon the foregoing, the Applicant is entitled to approval of the requested site plan for 317 townhomes on a portion the Property.

ACCORDINGLY, based upon the foregoing FINDINGS OF FACT and CONCLUSIONS OF LAW, upon a motion made by Commissioner Sutton and seconded by Commissioner Vilga the Town hereby approves SP 20-04.

Commissioner Vilga's Motion carried by unanimous vote.
