Thank you, Travis. I appreciate seeing both the recombination map and the site plan with the front entrance marked. I'll update the databases to show 641 Granite Vista Dr.

Looks like an error was made when the permit was issued by using the address for the adjacent parcel. The wrong parcel id (PIN) and address were used. Seems odd to have 641 across from 670, but I recognize that changing it this point is difficult.

Mike-

Could you please make sure the staff double checks to make sure the right parcel numbers and addresses are used for permits?

Dianne

Travis-

I'll be glad to take a look at this to resolve the addressing question. Could you please send the site plan? It didn't come through in the initial message.

For emergency response purposes, we need to see the front of the building as well as the access.

Thanks,
Dianne

Staff,

Comments were issued by the Town of Rolesville on the map, including reconciliation of the address as detailed below.

Can you please advise?

Subject: FW: Carolina Legacy Volleyball (CD 20-07) - Final Plat

Staff,

The attached map is under review with the Town of Rolesville and proposes to recombine PIN 1769033076 (iMaps addresses: 601 Granite Falls Blvd & 641 Granite Vista Dr) & PIN 1769022785 (iMaps addresses: 106 Scarboro St & 671 Granite Vista Dr) into one parcel.

The new building is located on the current 671 Granite Vista Dr parcel and we are seeking to reconcile the addresses and ensure **641 Granite Vista Drive** is assigned to the new parcel and crucially the building itself.

Please advise,

Travis Tyboroski, PE (MD, NC)

Staff,

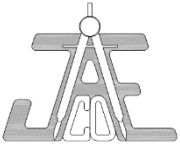

Please find attached the initial submittal of the final plat for the Carolina Legacy Volleyball project located at 641 Granite Vista Drive, approved under CD 20-07.

Included is a copy of the map for review, and an application for the same.

Please advise if additional items are required to process for the 9/11/23 comments due date.
