

Zoning Conditions
4801 Burlington Mills Road (PIN 1758498280)
REZ-25-06
Updated Version Submitted 9/23/26

1. The following Principal Uses as listed in LDO Table 5.1 shall be permitted on the portions of the Property west of the Granite Falls Boulevard right-of-way: Dental Facility, Hospital, Medical Facility, Professional Office, Urgent Care, Assembly/Church, Day Care, Government Facility, Parks/Public Recreation Facilities, Preserved Open Space, Minor Utility, Major Utility. The Telecommunication Tower use shall be permitted as a special use.

2. The following Principal Uses as listed in LDO Table 5.1 shall be permitted on the portions of the Property east of the Granite Falls Boulevard right-of-way: Dental Facility, Medical Facility, Professional Office, Urgent Care, Assembly/Church, Day Care, Government Facility, Parks/Public Recreation Facilities, Preserved Open Space, Minor Utility, Major Utility. The Telecommunication Tower use shall be permitted as a special use.

3. The development of the Property shall be in substantial conformance with the Concept Land Use Plan attached to these Zoning Conditions as **Attachment A**. Locations shown for committed elements including, but not limited to, streets and open areas shown on the Concept Land Use Plan may be adjusted to conform to LDO requirements or as permitted as a minor adjustment by the Land Development Administrator.

4. There shall be no more than 40,000 square feet of gross floor area for any nonresidential use.

5. There shall be a one hundred fifty foot (150') minimum building setback from the eastern property line shared with the adjoining property known as the Open Space parcel surrounding the Barrington Phase 2 townhomes (Lot labeled "OPEN SPACE 3.919 AC" in the "Final Plat for Barrington Subdivision Phase 2" recorded at Book of Maps 2019, Page 2048, Wake County registry) (the "Barrington Townhome Open Space").

6. There shall be a fifty foot (50') minimum building setback from the eastern property line shared with the following adjoining properties in the Barrington Subdivision: 516, 520, 524, 528, 532, 536, 540, and 544 Barrington Hall Drive (Lots 1-8 as shown in the "Final Plat for Barrington Subdivision Phase 1" recorded at Book of Maps 2017, Page 2255, Wake County Registry) (the "Barrington Hall Drive Properties").

7. The maximum building height shall be 55 feet.

8. Any portion of a building located within one hundred fifty feet (150') of the Barrington Hall Drive Properties shall be subject to a maximum building height of 35 feet. Portions of buildings located 150' or more from the Barrington Hall Drive Properties may exceed 35 feet in building height.

9. The Required Perimeter Buffer at the common property line with the Barrington Hall Drive Properties shall be a Modified Type 3 Perimeter Buffer with a minimum width of 50 feet. This buffer shall include a minimum planting standard of 5 canopy trees, 2 under story trees, 9 evergreen shrubs and 60 deciduous shrubs per 100 linear feet. A minimum of 50% of the total required canopy trees shall be evergreen.

10. A fifty (50) foot undisturbed buffer is required along the common property line with Barrington Townhome Open Space lot. This buffer shall remain undisturbed except as may be necessary (a) to install additional landscaping needed to meet applicable Perimeter Buffer requirements and (b) to accommodate utilities and their easements.

11. Ambulance pick-up/drop-off area(s) may not be located on the eastern façade of building(s) on the Property.

The Property owners hereby offer, consent to, and agree to abide, if the rezoning request is approved, the conditions written above.
