RE: Arden Senior Living (SDP-24-01)

To Whom It May Concern,

On behalf of the developer, please consider this letter as a formal request to withdraw SDP-24-01 from the Town of Rolesville as this project will no longer be moving forward. We greatly appreciate the diligent work the Town of Rolesville Development Services staff has performed to cooperate with the developer and applicant. We look forward to potentially working in the Town of Rolesville in the near future.

Please reach out to Juan Montes or Jim Lindsey should there be any questions or concerns. Thank you.

Sincerely,

MCADAMS
