

Memo

To: Mayor and Town Board of Commissioners
From: Michael Elabarger, Senior Planner
Date: November 1, 2022 Town Board of Commissioners Meeting
Re: MA 22-07 – 503 South Main Street Rezoning

Background

The Town of Rolesville Planning Department received a Map Amendment (Rezoning) application in July 2022 for a 1.80-acre property located at 503 South Main Street with Wake County PIN 1758784708. The Applicant, Toy Storage LLC, is requesting to rezone the property to the General Commercial (GC) Zoning District of the Land Development Ordinance (LDO) from the existing Residential Low (RL per the LDO) and Residential Planned Unit Development (R&PUD per the retired Unified Development Ordinance, UDO) Districts. The request is for the by-right district - there are no proposed Conditions of Approval nor a concept plan drawing of a future development.

Applicant Justification

The applicant provided the narrative below.

THE SUBJECT PARCEL IS WITHIN THE TOWN'S JURISDICTION AND IS ZONED RL AND R & PUD. THE MAIN STREET VISION PLAN DEPICTS THE AREA IN WHICH THIS PROPERTY IS LOCATED AS THE "VILLAGE CORE". THE ROLESVILLE COMPREHENSIVE PLAN 2017 INDICATES THE FUTURE LAND USE ZONING IS COMMERCIAL.

THE MAP AMENDMENT APPLICATION FOR GENERAL COMMERCIAL (GC) IS REQUESTED TO ALLOW FOR A WIDE RANGE OF USES CONSISTENT WITH ADJACENT PROPERTIES AND THE TOWN'S FUTURE ZONING PLANS.

ADEQUATE PUBLIC INFRASTRUCTURE EXISTS, AND SITE DEVELOPMENT WILL BE IN ACCORDANCE WITH THE TOWN OF ROLESVILLE'S LAND DEVELOPMENT ORDINANCE.

Neighborhood Meeting

The Applicant held a neighborhood meeting at the Rolesville Community Center on September 7, 2022. Nineteen (19) property owners within two hundred fifty (250) feet of the subject property were mailed invitations by the Applicant. Six (6) members of the public attended the meeting; see Attachment 2 for materials for and from that meeting.

Comprehensive Plan

Land Use

The future land use designation of the subject property is 'Commercial'. The applicant's request for the General Commercial zoning district would be consistent with this land use category, which is described in the 2017 Comprehensive Plan as "*Suburban commercial centers serving the daily needs of surrounding residential neighborhoods. They typically are located near roads with a high volume of traffic and key intersections that are designed to be accessed primarily by automobile. These consider other modes of transportation in design choices as well, both internally and externally of the commercial neighborhood. Common types include single tenant buildings on individual lots, single and multi-tenant buildings normally found in shopping centers, or multi-tenant units with big box or anchor retail businesses in commercial shopping facilities.*"

Main Street Vision Plan

The Town of Rolesville developed the Main Street Vision Plan to help the community grow, reestablish a true town center, and reclaim its Main Street. The plan includes five principles and five goals, the following of which are applicable to this rezoning request:

- Principle 5: Quality development/redevelopment must be supported
- Goal 4: Reestablish a town center
- Goal 5: Retain & respect the small-town feel

Changing the zoning of the subject property from two Residential districts to the General Commercial Zoning District (GC) will provide greater potential to meet the principles and goals of the Main Street Vision Plan. Non-residential uses and forms of development typically align better with the type of corridor that South Main Street is, and will be, transforming into over the coming years.

Transportation and Traffic

As per LDO Section 8.C.4., the Land Development Administrator (LDA) may waive the requirement for a Traffic Impact Analysis (TIA) upon determining that a TIA is not necessary to determine needed road improvements, that adequate capacity exists to serve the proposed development, and that no unsafe or hazardous conditions will be created by the development as proposed. The decision shall be documented with specific reasoning provided by the LDA.

- Based on the level of detail available for this Map Amendment (Rezoning), a TIA would be more beneficial at the Site Development Plan stage when additional information and confirmation of development plans are available.
- The Town has been awarded funding from the Locally Administered Projects Program (LAPP) to enhance and revitalize Main Street. The grant project will re-create Highway 401 Business into Rolesville's Main Street and includes streetscape improvements, crosswalks, curb and gutter, new sidewalks, and bicycle transportation enhancements

from Burlington Mills Road to Young Street. The Main Street construction plan design already shows all or some of the pending roadway improvements.

The LDA recommends the TIA be initiated during the Site Development Plan review process.

Development Review

The Technical Review Committee (TRC) reviewed the rezoning request, and there were no correction related comments provided to the applicant.

Staff Recommendation

Based on alignment with the Main Street Vision Plan principles and goals, staff recommends approval of Map Amendment (rezoning) case MA 22-07 - 503 South Main Street.

Planning Board Recommendation

At the September 26, 2022 meeting, the Planning Board unanimously recommended approval of MA 22-07, 503 S. Main Street.

Consistency and Reasonableness

As noted above under the Comprehensive Plan section of this report, the rezoning request for the subject parcel supports Rolesville’s Main Street Vision Plan. Every property along South Main Street between Rogers Road and Burlington Mills Road is planned for Commercial development on the Future Land Use map. MA 22-07 is thus consistent with the Comprehensive Plan and other applicable Plans and is therefore reasonable.

Proposed Motion

- Motion to (approve or deny) rezoning request MA 22-07 - 503 South Main Street.
 - (Following Approval) Motion to adopt a Plan Consistency Statement and Statement of Reasonableness.
