INFORMATION AND DETAILS

At the October 5, October 20, and November 2 meetings, the Town Board opened, received information, and continued public hearings to consider case SUP15-01. At the last meeting, several concerns were resolved and the attorney was directed to work out the final issues with the applicant's attorney so that all findings of fact could be met. There has been a lot of correspondence with staff, attorneys, and the applicant since the last meeting and it appears that all issues have been resolved.

DATE: November 17, 2015

PROPERTY/DESCRIPTION: 18.02 acre tract of land located at 1999 Smoke Willow Way

PIN NUMBER(s): PINs 1759754610, 1759741881

ZONING: R2-SUD

SPECIAL USE PERMIT PROVISIONS:

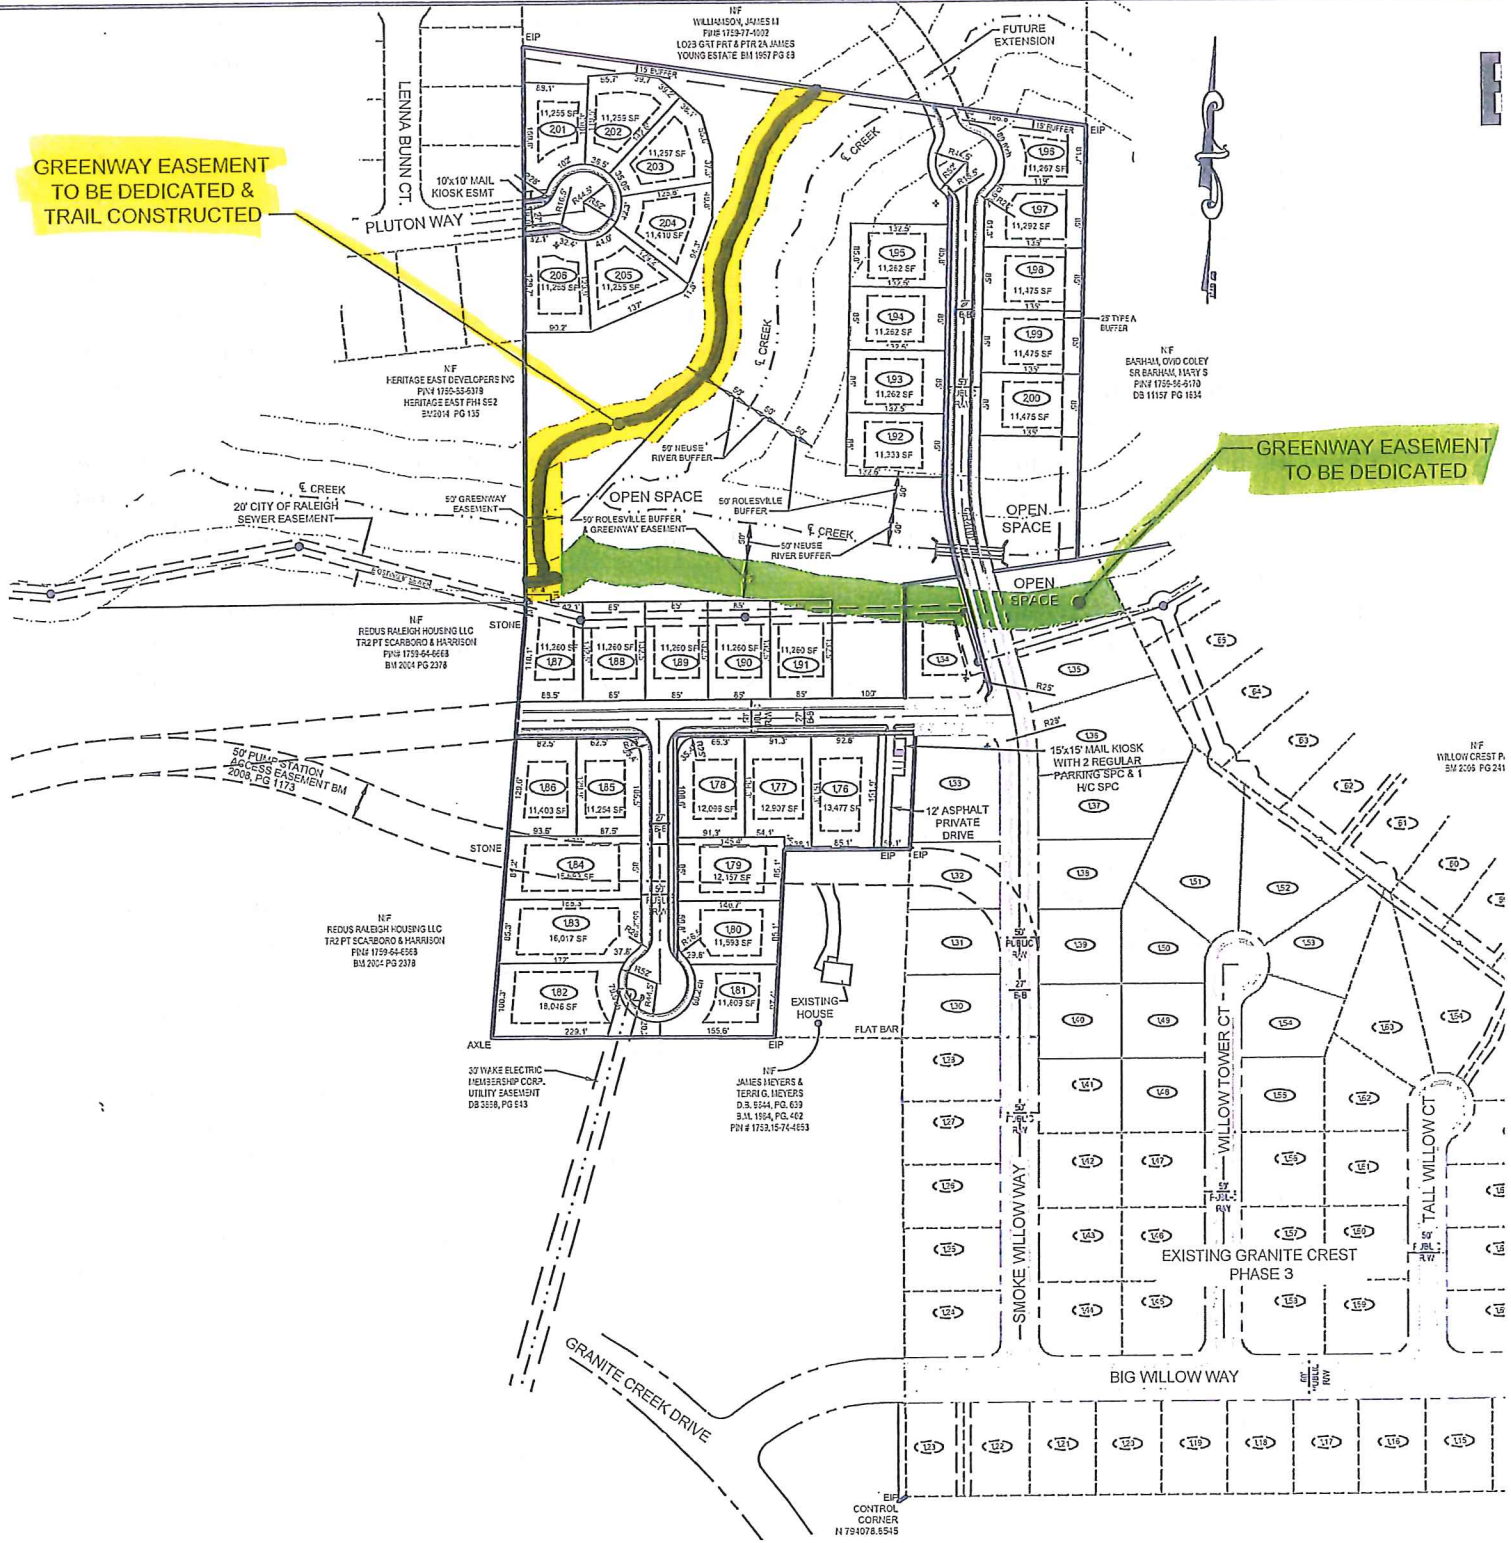

1. All homes built on the six (6) lots accessible off of Pluton Place shall be a minimum of 2,500 heated square feet. All homes built on the other twenty-five (25) lots, accessible from Granite Crest Subdivision, shall be a minimum of ~~2,000~~ 2,250 heated square feet.
2. All homes shall have, at minimum, a two car garage.
3. All front loaded, two car garages shall have two separate garage doors. Three car, front loaded garages may have one double door and one single door if so desired. Side loaded garages may be fitted with any combination of doors.
4. No home shall be clad with aluminum or vinyl siding.
5. All homes shall either be "crawl space" or "stem-wall" type foundations. Those houses with "stem-wall" type foundations shall have a brick veneer around the full perimeter and be made accessible in compliance with the American with Disabilities Act (ADA).
6. All houses shall have sheathing that is nominally ½ inch or greater OSB, Densglass, or other similar materials. No "thermoply" or narrow wall panel structural sheathing will be permitted. All garages shall be completely dry walled for fire and energy rating purposes.
7. The architectural requirements of the neighborhood for both homes and accessory structures shall include an anti-monotony policy whereby duplicate plans/colors shall not be allowed on adjacent lots.
8. All homes accessible from Pluton Place shall, at a minimum, be similar in architectural features, size, and materials as those in the adjoining section of Heritage Subdivision. General architectural requirements of the entire neighborhood will be governed by recorded conditions, covenants, and restrictions. The developer shall submit a copy of the conditions, covenants, and restrictions to the Town of Rolesville to allow the Town Attorney to review them before recordation.
9. All required open space and drainage easements shall be owned and maintained by the homeowners association in perpetuity.
- ~~10.~~ Prior to the recordation of any lots in the development, the developer shall dedicate all required greenway easements to the Town. Prior to the release of the twenty-third (23rd) certificate of occupancy or 1 year after the issuance of the first building permit, whichever is first to occur, the developer shall construct a 5 10 feet wide paved greenway trail as shown on the approved plan Exhibit A or pay a fee-in-lieu to the Town of Rolesville in an amount no less than 100% of the estimated cost of constructing same. ~~The developer shall have the ability to establish a name identifying the trail provided the trail is constructed within 1 year from the issuance of the first building permit. Any name proposed by developer shall first be considered by the Parks & Recreation Advisory Board and then approved by the Board of Commissioners for~~

~~appropriateness. Such naming opportunity shall bear only the name of an individual or entity that exemplify the attributes of integrity, character and leadership consistent with the highest values of public service and community contribution. If, in the sole determination of the Board of Commissioners, those attributes are not maintained, the Board of Commissioners reserves the right to remove the honoree's name at any time.~~

11. Prior to the recordation of any lots in the development, all required public rights of way, including but not limited to, that portion of Smoke Willow Way that would extend to the northern property line beyond the proposed cul-de-sac, shall be dedicated to the Town. The cul-de-sac shall be abandoned at such time as the road is extended to the north.
12. ~~Prior to the issuance of the first Certificate of Occupancy in each section (either those 6 lots accessible from Pluton Place or the 25 lots accessible from Granite Crest Subdivision), the developer shall construct either a centralized mail kiosk and associated parking area or individual mailboxes to the satisfaction of the Town, Wake County Inspections, and the United States Postal Service.~~
13. If unmarked human burials or human skeletal remains are encountered as a result of construction or agricultural activities, disturbance of the remains shall cease immediately and shall not resume without authorization from either the county medical examiner or the State Archaeologist.
14. All other required landscaping shall be maintained in perpetuity. Should any plantings become diseased, damaged, or die then the property owner shall be required to be replace them with others in the same quantities, of similar sizes, and of similar species so as to blend with the existing landscaping.
15. The developer shall notify all adjacent property owners no less than seven days prior to any blasting activities on the site.
16. At no time shall development activities exceed the noise standards set forth in Rolesville Town Code of Ordinances Chapter 130.
17. ~~The final layer of asphalt, on the streets fronting recorded lots, shall be put down according to Town standards before 1 year after the issuance of the first building permit or the release of the twenty-third (23rd) certificate of occupancy, whichever comes first.~~
18. ~~For so long as the 50' pump station access easement recorded in BM2008 PG 1173 remains in effect, no building permit shall be issued for Lots 179, 184 and 186. Provided all other applicable requirements have been met, building permits for Lots 179, 184 and 196 may be issued only after the 50' pump station access easement recorded in BM2008, PG 1173 is relocated to outside of all proposed buildable lots and approved by the City of Raleigh and Town of Rolesville and such relocated easement plat is recorded.~~
19. ~~In the event that the fifty-foot wide area shown on the approved plans for the Granite Crest Lots mail kiosk (and associated parking) and access drive to the Meyer's property is dedicated to the Town of Rolesville as a future public street, developer or its successor in interest shall obtain from the Town of Rolesville an encroachment agreement for such non-public street improvements to be so located in a public right-of-way; however, the Town of Rolesville shall have no obligation to maintain or accept for maintenance such dedicated right-of-way until such time as the improvement of such dedicated right-of-way meets or exceeds the then Town standards and requirements for a public street.~~

EVIDENTIARY HEARING
FINDINGS OF FACT AND
CONCLUSIONS OF LAW

THIS MATTER COMING ON to be heard and being heard before the Mayor and Board of Commissioners of the Town of Rolesville (“the Board”) at its regularly scheduled meeting on October 5, 2015 upon the Application of Real Estate Marketing & Consulting, Inc. W. Harold Perry for a Special Use Permit to allow for 31 single family lots on the property described in Exhibit “A”, attached hereto and incorporated herein by reference. The public hearing on said Application for a Special Use Permit was continued until November 2, 2015 and further continued until November 17, 2015. The Board heard sworn testimony from Thomas A. Lloyd (Town Planning Director); W. Thurston Debnam, Jr. (attorney for Applicant); Johnny Edwards, P.E. (professional engineer for Applicant) and W. Harold Perry (the Applicant) and based upon said testimony made the following Findings of Fact.

The Board’s decision to approve the special use permit application is based on the Findings of Fact and Conclusions of Law set forth below:

FINDINGS OF FACT

1. The Property which is the subject of the requested Special Use Permit contains approximately 18.02 acres and is situated on Pluton Place (a public street) and Smoke Willow Way (a public street) (“the Property”).

2. The Property is located in an area designated for Planned Residential (4-6 DU/AC) by the Future Land Use Community Plan and is currently zoned R-2 SUD.
3. The Property is surrounded on the North and on the South by undeveloped real estate zoned for Residential uses, on the East and West by developed real estate zoned R-2.
4. The proposed use of the Property is thirty-one (31) single family lots which will be served by public water and sewer.
5. The Property will have no buffer to the South and no buffer to the West . The Property will have a Type 2 Buffer measuring twenty-five (25) feet in width along the East boundary and a buffer measuring fifteen (15) feet in width along the Northern boundary line.
6. All streets within the Property are designed to accommodate fire trucks and rescue vehicles. Fire hydrants will be located throughout the Property at the required intervals. The stormwater control devices reflected on the plans are sufficient.
7. Once fully developed, the Property will generate on average approximately 23 additional vehicular trips per hour during morning peak hours and 31 additional vehicular trips per hour during evening peak hours. These levels of traffic generation do not create sufficient vehicular traffic congestion to require additional traffic control measures.
8. The design of the proposed development complies with all public health and safety ordinances of the Town of Rolesville.

CONCLUSIONS OF LAW

1. That the proposed development and/or use will not materially endanger the public health or safety.
2. That the proposed development and/or use will not substantially injure the value of adjoining property.
3. That the proposed development and/or use will be in harmony with the scale, bulk, coverage, density, and character of the neighborhood in which it is located.
4. That the proposed development and/or use will generally conform with the Comprehensive plan and other official plans adopted by the Town.

5. That the proposed development and/or use is appropriately located with respect to transportation facilities, water and sewer supply, fire and police protection, and similar facilities.
6. That the proposed development and/or use will not cause undue traffic congestion or create a traffic hazard.
7. That the proposed development and use comply with all applicable requirements of this ordinance.

CONDITIONS OF APPROVAL

The Special Use Approval is made subject to the following conditions of approval:

1. All homes built on the six (6) lots accessible off of Pluton Place shall be a minimum of 2,500 heated square feet. All homes built on the other twenty-five (25) lots, accessible from Granite Crest Subdivision, shall be a minimum of 2,250 heated square feet.
2. All homes shall have, at minimum, a two car garage.
3. All front loaded, two car garages shall have two separate garage doors. Three car, front loaded garages may have one double door and one single door if so desired. Side loaded garages may be fitted with any combination of doors.
4. No home shall be clad with aluminum or vinyl siding.
5. All homes shall either be "crawl space" or "stem-wall" type foundations. Those houses with "stem-wall" type foundations shall have a brick veneer around the full perimeter and be made accessible in compliance with the American with Disabilities Act (ADA).
6. All houses shall have sheathing that is nominally ½ inch or greater OSB, Densglass, or other similar materials. No "thermoply" or narrow wall panel structural sheathing will be permitted. All garages shall be completely dry walled for fire and energy rating purposes.
7. The architectural requirements of the neighborhood for both homes and accessory structures shall include an anti-monotony policy whereby duplicate plans/colors shall not be allowed on adjacent lots.
8. All homes accessible from Pluton Place shall, at a minimum, be similar in architectural features, size, and materials as those in the adjoining section of Heritage Subdivision. General architectural requirements of the entire neighborhood will be governed by recorded conditions, covenants, and restrictions. The developer shall submit a copy of the conditions, covenants, and restrictions to the Town of Rolesville to allow the Town Attorney to review them before recordation.
9. All required open space and drainage easements shall be owned and maintained by the homeowners association in perpetuity.
10. Prior to the recordation of any lots in the development, the developer shall dedicate all required greenway easements to the Town. Prior to the release of the twenty-third (23rd) certificate of occupancy, the developer shall construct a 10 feet wide paved greenway trail as shown on the attached Exhibit A or pay a fee-in-lieu to the Town of Rolesville in an amount no less than 100% of the estimated cost of constructing same.
11. Prior to the recordation of any lots in the development, all required public rights of way, including but not limited to, that portion of Smoke Willow Way that would extend to the

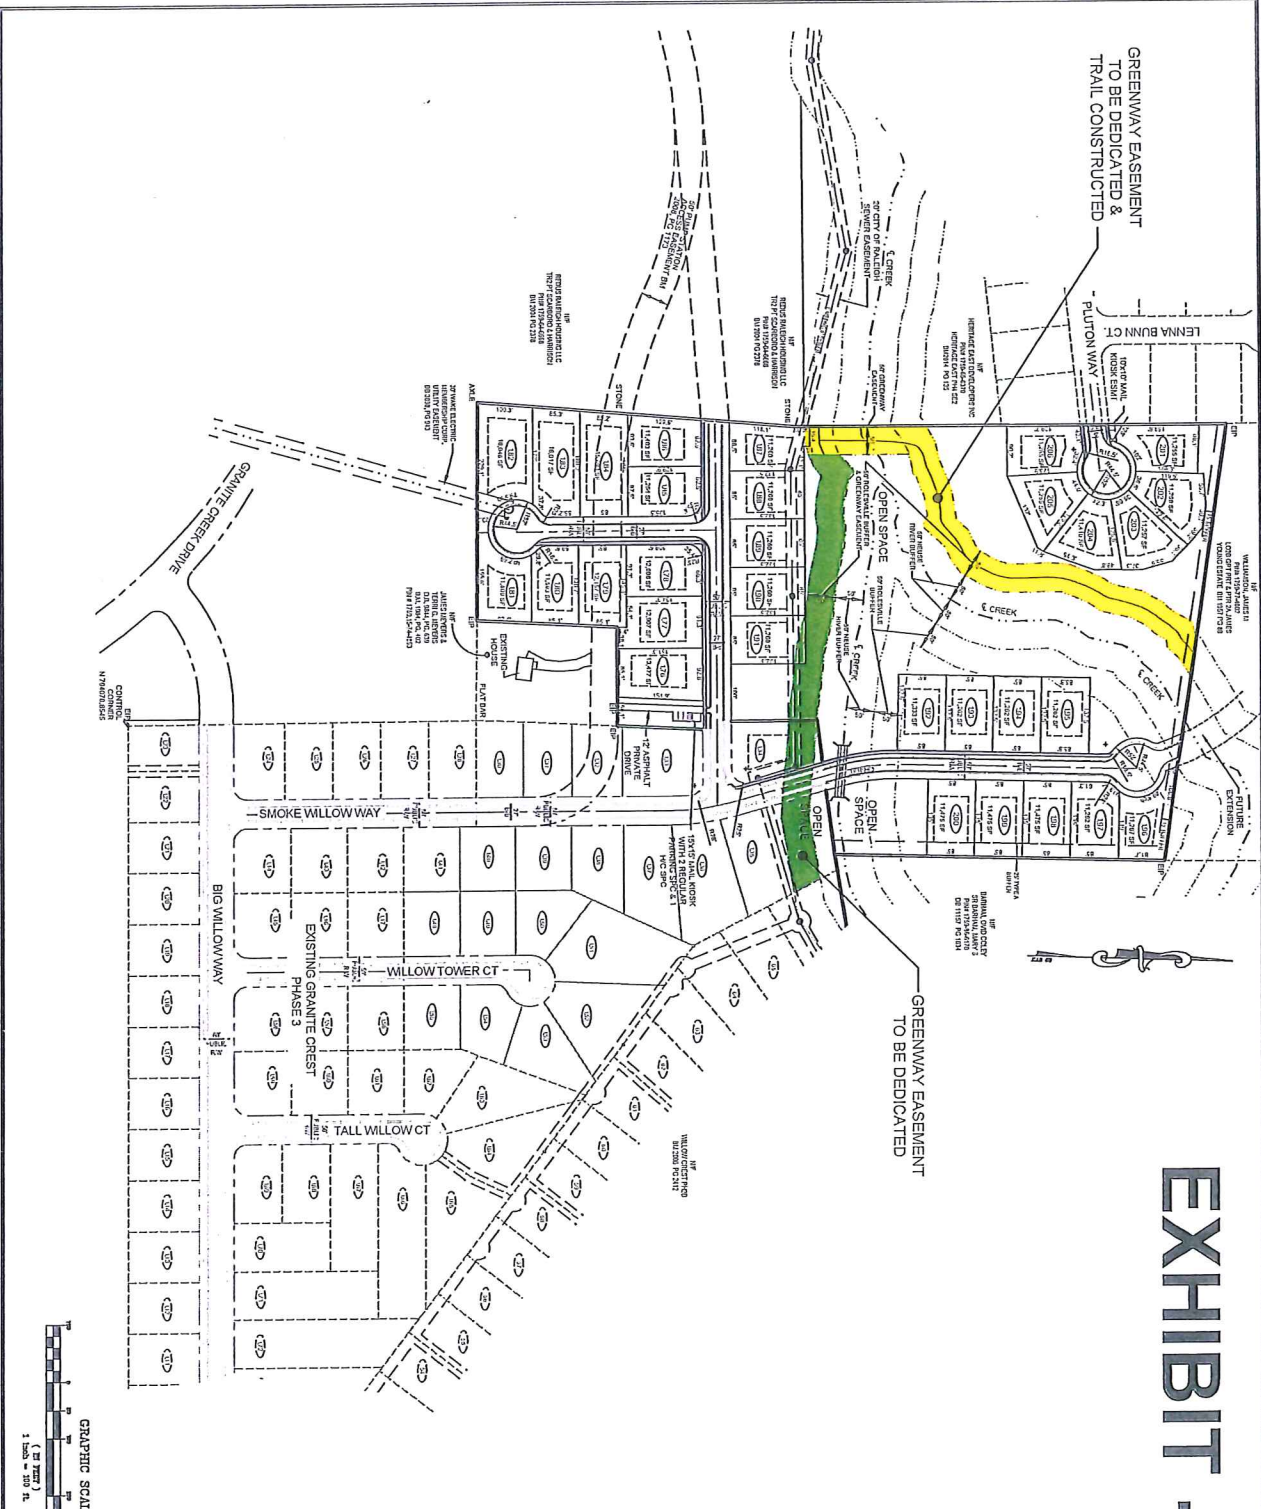

- northern property line beyond the proposed cul-de-sac, shall be dedicated to the Town. The cul-de-sac shall be abandoned at such time as the road is extended to the north.
12. Prior to the issuance of the first Certificate of Occupancy in each section (either those 6 lots accessible from Pluton Place or the 25 lots accessible from Granite Crest Subdivision), the developer shall construct either a centralized mail kiosk and associated parking area or individual mailboxes to the satisfaction of the Town, Wake County Inspections, and the United States Postal Service.
 13. If unmarked human burials or human skeletal remains are encountered as a result of construction or agricultural activities, disturbance of the remains shall cease immediately and shall not resume without authorization from either the county medical examiner or the State Archaeologist.
 14. All other required landscaping shall be maintained in perpetuity. Should any plantings become diseased, damaged, or die then the property owner shall be required to be replace them with others in the same quantities, of similar sizes, and of similar species so as to blend with the existing landscaping.
 15. The developer shall notify all adjacent property owners no less than seven days prior to any blasting activities on the site.
 16. At no time shall development activities exceed the noise standards set forth in Rolesville Town Code of Ordinances Chapter 130.
 17. The final layer of asphalt, on the streets fronting recorded lots, shall be put down according to Town standards before 1 year after the issuance of the first building permit or the release of the twenty-third (23rd) certificate of occupancy, whichever comes first.
 18. For so long as the 50' pump station access easement recorded in BM2008 PG 1173 remains in effect, no building permit shall be issued for Lots 179, 184 and 186. Provided all other applicable requirements have been met, building permits for Lots 179, 184 and 196 may be issued only after the 50' pump station access easement recorded in BM2008, PG 1173 is relocated to outside of all proposed buildable lots and approved by the City of Raleigh and Town of Rolesville and such relocated easement plat is recorded.
 19. In the event that the fifty-foot wide area shown on the approved plans for the Granite Crest Lots mail kiosk (and associated parking) and access drive to the Meyer's property is dedicated to the Town of Rolesville as a future public street, developer or its successor in interest shall obtain from the Town of Rolesville an encroachment agreement for such non-public street improvements to be so located in a public right-of-way; however, the Town of Rolesville shall have no obligation to maintain or accept for maintenance such dedicated right-of-way until such time as the improvement of such dedicated right-of-way meets or exceeds the then Town standards and requirements for a public street.

ACCORDINGLY, based upon the foregoing FINDINGS OF FACT and CONCLUSIONS OF LAW, the Town of Rolesville Board of Commissioners hereby approves the special use permit for Granite Crest Phase IV in Rolesville, North Carolina and further described on the attached Exhibit B.

3.6.2 Special Use Permit/Site Plan Findings of Fact

The following findings, based on evidence and testimony received at a public hearing in accordance with procedures specified in this Ordinance, must be made by the Board of Adjustment or Town Board in order to approve any special use permit or any application for site plan:

- (A) That the proposed development and/or use will not materially endanger the public health or safety;
- (B) That the proposed development and/or use will not substantially injure the value of adjoining property;
- (C) That the proposed development and/or use will be in harmony with the scale, bulk, coverage, density, and character of the neighborhood in which it is located;
- (D) That the proposed development and/or use will generally conform with the Comprehensive plan and other official plans adopted by the Town;
- (E) That the proposed development and/or use is appropriately located with respect to transportation facilities, water and sewer supply, fire and police protection, and similar facilities;
- (F) That the proposed development and/or use will not cause undue traffic congestion or create a traffic hazard;
- (G) That the proposed development and use comply with all applicable requirements of this ordinance.

**AGENDA ITEM 7
SUMMARY SHEET
TOWN OF ROLESVILLE MAYOR AND BOARD OF COMMISSIONERS**

ITEM

Public hearing for case TA15-08 involving the amendment to the Town of Rolesville Sign Ordinance (Article 11)

ATTACHMENTS

7.1 (A-M) Draft sign ordinance as presented to the Planning Board

INFORMATION AND DETAILS

Earlier this year, the Town Attorney updated the Town Board regarding the United States Supreme Court Decision of Reed vs. Gilbert. The Court's decision will change the way that towns across the country regulate signage. Because of the decision, direction was given to bring the current ordinance into compliance with that court case.

At the September 8 meeting, the Town Attorney presented a draft ordinance to the Town Board. Comments were received and updates were made. That revised ordinance was taken to the Planning Board at their September 28 meeting. Further recommendations were given and the Planning Board tabled the case. Staff made the recommended changes and took the revised draft to them at their October 26 meeting. At that meeting, the Planning Board voted 4 to 1 to recommend that the Town Board approve the draft.

Staff presented that draft ordinance to the Town Board at the last meeting so as to receive feedback. Only one change has been made since the last meeting and that relates to political signs as mentioned by the Town Attorney that night. That section (11.11.5) has been simplified to parallel limitations of the State Statute.

Staff will be glad to answer any questions the Board or public may have at the meeting. Local businesses, who have voiced their concern about previous sign ordinances, have stated publicly that they are in support of this proposed ordinance.
