ROLESVILLE LAND DEVELOPMENT ORDINANCE

3.1.3. RESIDENTIAL HIGH DENSITY (RH)

- A. **Purpose and Intent.** The Residential High Density (RH) zoning district is established as a district in which the principal use of land is for residential purposes, including attached, double family, and multiple family dwellings. The regulations of this district are intended to discourage any use which, because of its character, would be a nuisance to the development of higher density residential structures. RH implements the high density residential future land use at a density range of six (6) to twelve (12) dwelling units per acre.
- B. **Development Standards.** The RH district shall conform to the standards identified in Table 3.1.3.
