NEW 2024 Yard Waste Schedule

Monday's Pickup		Tuesday's Pickup	
<ul style="list-style-type: none"> • Heritage & Willoughby • Evening Snow & Albino Deer Way • Stonewater • Drayton Reserve • Olde Towne • N. Main • S. Main • Hampton Pointe 	<ul style="list-style-type: none"> • Pine Glen • Brown Cir. • Perry St. • Coley St. • Barrington Towns • Wall Creek • East & West Young St. • Williams St. 	<ul style="list-style-type: none"> • Villages of Rolesville • Carlton Pointe • Cedar Lakes • Granite Falls • Terrell Plantation • Weathers St. • Brandi Dr. 	<ul style="list-style-type: none"> • Teresa Dr. • Chalk Rd. • Watkins Farm • Chandlers Ridge • Averette Ridge • Preserves at Jones Dairy • Perry Farm • Elizabeth Springs

The Town of Rolesville contracts with **Allen's Tree Service** to provide bi-weekly curbside yard waste collection and with **GFL** to provide weekly curbside garbage and recycling collection. If you have an issue with your service, please call Town Hall at **919-556-6490**.

GARBAGE AND RECYCLING

The Town provides residential curbside solid waste collection to most residential units in the Town limits. Basic service includes one garbage cart (black or grey cart body) and one recycling cart (blue or green cart body).

Garbage and recycling waste are collected every Tuesday town-wide, except for certain holidays (see calendar) or unexpected disruption of service due to inclement weather.

Bag your garbage to prevent flyaway litter as the cart is emptied. Recyclables, however, should NOT be bagged but placed loosely in your recycling cart.

Residents must place their carts at the curb no later than 7am on pickup day and no earlier than dusk the day prior to collection. After the carts have been emptied, they should be returned to the back yard or side yard no later than the end of the collection day.

For more information on what you can recycle, this [Wake County](#) website provides further detail in the "acceptable items" section.

Additional rollout carts may be requested. One additional cart is **\$33.00 per quarter**, and two additional carts are **\$66.00 per quarter**.

Commercial businesses in Town may contract with any commercial service provider. Rollout carts provided by the Town are intended for residential households only.

YARD WASTE

This includes vegetative matter resulting from landscaping maintenance (including but not limited to leaves, twigs, grass, limbs, hedge clippings, hay/pine straw, pinecones, and logs). It **MUST BE FREE** of trash, bricks, rocks, and other refuse. Items that will not be collected include stumps, root balls, animal waste, wooden materials, and dirt.

All loose yard debris **MUST** be placed in a container or brown biodegradable paper bag, no more than 5 cans or 10 brown paper bags, no black or clear plastic bags will be accepted. Must not weigh over 50 pounds and brush piles must be cut up 4ft long and stacked neatly. The Town does not provide the containers.

Larger limbs and branches can be placed loose curbside. Any limbs placed loose must meet the following rules:

- All limbs must face a similar direction
- Limbs less than six (6) inches in diameter must not be longer than six (6) feet.
- Limbs greater than six (6) inches in diameter must not be longer than two (2) feet.
- Logs must not be longer than one (1) foot.
- One pile of limbs per resident must not exceed six (6) feet in height, ten (10) feet in length, and six (6) feet in depth.

LOOSE LEAF

When preparing leaves for collection, residents are urged to adhere to the following guidelines:

- Place leaves behind the curb (not in the street or gutter) so they do not interfere with traffic or drainage.
- Do not block fire hydrants or sidewalks.
- Do not park in front of or on the leaf piles.
- Do not mix sticks, rocks, pinecones, limbs or other debris with loose leaves. The vacuum equipment is designed to pick up only loose leaves, so your cooperation will help prevent equipment damage and mechanical breakdowns
- Inclement weather may force a change in leaf collection schedule-any changes will be announced on our website.
- Please place leaf piles separate from limbs and branches.

OTHER WASTE

Large items and bulk goods are not collected through the normal residential collection service. Options to dispose of these materials are:

- Bring items to the Wake County Convenience Center
- Check the Wake County Waste & Recycling website at www.wakegov.com/recycling for a list of several locations where other types of solid waste are accepted.
- Call GFL at **919.662.7100** to schedule a special pickup (separate charges will apply).
- Call other local waste providers to arrange private collection.

SOLID WASTE BILLING INFORMATION

The fee or solid waste is included as an annual fee on your residential property tax bill. Each residence is provided with one garbage cart and one recycling cart. Additional carts are available for a fee but will be billed separately.

- Fee applies to all residential units, regardless of the type of construction.
- Fee applies to all habitable units, whether occupied or unoccupied.
- The amount of the fee is based on the number of dwelling units on each parcel.
- Parcels excluded from the fee: Multi-family developments with dumpster service.
- Homes condemned or otherwise uninhabitable.
