1	I have lived in Rolesville my entire life! I have a few ideas that I think would make Rolesville look even more welcoming! -Flowers!! Lots of flowers and flower posts. Also floral adorned facades would add a lot of charm to windows and storefronts. -String lights and fairy lights lining streets all year long! String lights in trees (for example in Village District) are really pretty. Warm lights are the best in my opinion. I love the snowflake lights you guys have up in the winter! I wish we had that kind of thing all year long:) -A nice sized and well kept dog park in Rolesville would be greatly appreciated! Or just areas designed with dogs in mind. I would love to walk my dog around the new and improved Rolesville! -Murals are almost always attractive. Flowers, historical figures, quotes, etc. -Maybe an Iconic Rolesville landmark that symbolizes the new and improved Rolesville! -Lastly, more color! the brighter the better! Many people are tired of the same old black, white, grey, and beige. Although it is classy, adding color where you can would be greatly appreciated.	1/17/2025 4:13 PM
2	Parks, greenway connection, multipurpose areas (eating, dining, etc)	12/29/2024 6:27 PM
3	Walkability, shopping, and parks!	12/13/2024 10:11 AM
4	Aesthetics need improvement as you come into town on 401/South Main before you get to the town administrative offices. Public transportation would be nice. Limit population would benefit everyone's quality of life.	12/9/2024 3:18 PM
5	With the increased population and building of new homes, the roads need to be wider to accommodate the increased traffic and sensors on traffic lights should be installed.	12/5/2024 12:40 AM
6	More businesses, restaurants, improvements to roads - finish the damn intersection at Main and Young!!	12/4/2024 1:28 PM
7	Services that will give more restaurant choices and indoor recreational options that include indoor basketball courts.	12/3/2024 9:20 PM
8	Would like to see that any new development, whether residential or commercial maintains as much green space as possible, rather than clearing the entire land. Expand and connect existing greenways. Public courts (basketball, tennis, pickleball, volleyball, etc.). More places that open late where people can socialize. Improve roads to minimize traffic that will come with growth. More roundabouts and less traffic lights.	12/3/2024 8:46 PM
9	Hospital	12/3/2024 7:22 PM
10	Parks should be no more than 10 minutes from any neighborhood, That will encourage biking/walking versus driving. Local free or low cost transportation should be available for commuting among all the nearby towns. The addition of a hospital and at least 2 hotels would be important to encourage businesses to move to or near Rolesville. Attracting at least one of either a minor league baseball team, hockey team, soccer team, or even some college sports. Walking paths should have benches along the way with wifi and power to allow for charging devices. Having a vibrant community center, similar to the one in Wake Forest but that caters to all age groups. The facility should include learning options, an exercise facility, games, indoor and outdoor facilities for tennis, basketball, pickleball, and walking tracks.	12/3/2024 5:57 PM
11	A library	12/3/2024 4:45 PM

12	with all the housing and new families moving to Rolesville, the town would greatly benefit from having a sports complex to include basketball courts. It's a shame that parents and youth are opting to join Wake Forest/North Raleigh teams and venues because we simply lack the resources for it here in town. More needs to be done on this end, as well as better marketing for what we already do have.	12/3/2024 4:24 PM
13	Parks and Greenways	12/3/2024 3:52 PM
14	More businesses to share the tax burden. Would love to see more sit down restaurants in Rolesville, both local and national ones! We do NOT need any more dentists in this area!	12/3/2024 3:19 PM
15	Upgrade roads into Raleigh to accommodate the influx of new apartments and neighborhoods	12/3/2024 3:08 PM
16	walking trail and complete sections of sidewalk that are missing throughout the town and add new sidewalk to the new shopping center.	12/3/2024 3:08 PM
17	Parks - open space, another indoor swimming pool, restaurants like kanki, long horn, cheddars, golden corral, library, less houses every where	12/3/2024 2:46 PM
18	Affordable housing	12/2/2024 5:37 PM

20	Parks	11/22/2024 8:31 PM
21	Better traffic solutions to meet the growing community	11/21/2024 10:23 AM
22	Infrastructure supporting biking as a safe means of transportation in town. Main Street does not currently feel like a safe street to bike.	11/20/2024 4:24 PM
23	More open green spaces without contrived "green ways" cutting through them. Wider roads in neighborhoods. Community centers that have social service type offices housed in them. Established senior center with social and wellness services. Arts center. Public exercise center. Youth center. (We need a local newspaper.)	11/20/2024 9:17 AM

29	Better traffic control	11/19/2024 5:32 PM
30	-Less clearing of land -Less apartments & housing developments -Less Bicycles on roads - More parks & parking for parks -would like to see a Real intersection at 401 & Young St I love our little town and would like to keep it this way	11/19/2024 5:29 PM

32	Parks	11/19/2024 5:05 AM
33	traffic calming, medical care, retail and restaurants	11/12/2024 8:06 AM
34	We would like to see a sports facility with basketball courts (indoor and out). We've live in Rolesville since 2005 and are raising our grandchildren there. Two of them (who are old enough) play basketball; we believe more kids in town would play basketball if was marketed better and we had practice facilities. Right now, we have to go into Raleigh, Wake Forest or even further to find the resources we're looking for. It would be a welcome addition to our growing community - especially for our youth.	11/11/2024 11:34 AM
35	Wider roads in Rolesville- especially Main Street and Rogers Road	11/9/2024 1:57 PM
36	ROADS!!! There is too much building going on, not only in Rolesville but in the surrounding areas. The roads are not able to handle the current traffic let alone more building. This was poor planning on everyone's part. There should be a moratorium on all building until all the roads are widened.	11/9/2024 11:21 AM

37	Retail and healthcare facilities	11/8/2024 7:24 AM
38	Clean up how downtown looks. Add a tennis and pickleball facility.	11/7/2024 9:58 PM

41	Sidewalks, bike paths, safe crossing areas for pedestrians to move about the community safely. Keeping the softball/baseball fields in good condition.	11/7/2024 9:36 AM
42	With the influx of new residents moving from different states, the roadways are not compatible with the excess traffic. There needs to be more ways around, or wider roads to permit the flow	11/6/2024 10:14 PM
43	We need restaurants that are not fast food places. I would stop going to Raleigh and wake forest to eat if we had a better selection.	11/6/2024 8:56 PM
44	parks, greenways, healthcare facilities.	11/6/2024 8:52 PM

55	No low income housing, we want long term permanent residence with focus on local growth and prosperity.	10/29/2024 2:36 PM
56	I'd like to see more trails or paths that connect. At a minimum, residents should be able to use a path or sidewalk to travel from one end of 401 business to the other end.	10/29/2024 12:50 PM
57	Transportation, parks, and most importantly, pace for community farming	10/29/2024 11:26 AM

60	Library, tennis courts, ways to decrease traffic in the town limits. It would be nice to have a public pool so not everyone uses granite falls. It would also to bring in Dr's offices and stop with the dental offices. Stop bringing homes into the area. We are growing too fast and don't have the infrastructure to keep up.	10/28/2024 12:00 PM

80	Retail/ restaurants on Main Street. Pediatrician office	10/22/2024 5:18 PM

82	I would like the walking trails to be more connected so I can safely stay off the road on Main Street	10/22/2024 4:48 PM
83	My number one priority for Rolesville is walkability. I would love to be able to safely walk from my home to various businesses. I would love to be able to stay in Rolesville for more things… music lessons, medical (ER especially), art/culture, restaurants, places for people/teens to gather (coffee shops, roller rinks etc.), book stores, clothing shops.	10/22/2024 4:48 PM
84	The most important element is that new housing should not outpace the infrastructure (roads, schools, etc.) as has happened in Wake Forest.	10/22/2024 4:45 PM
85	Another park, proper roads for all of the traffic, affordable housing, keeping trees/fields/nature	10/22/2024 4:27 PM
86	Bus service will come to Rolesville eventually, new schools may be needed for the new neighborhoods planned, plan for them now, additional healthcare options are needed, but should follow those rooftops, save park space now while it is available, a Disc Golf course in one of those parks would be great.	10/22/2024 8:56 AM
87	Parks that include pickle ball courts. Connect to the greenway system	10/21/2024 7:37 PM
88	Connected greenways, in town urgent care facilities and primary care, library, emergency veterinary clinic	10/20/2024 2:06 PM

washing centers (seriously?). Connect bus stations in weekends, to Wake Forest and Raleigh.

95	More healthcare and senior housing and services. Nice locally owned restaurants, and cosy coffee shops with outdoor seating.	10/19/2024 9:10 AM
96	Better road infrastructure to meet demand BEFORE not after adding multi-family and commercial development. Larger % of green space preserved/required for each development plan.	10/19/2024 9:00 AM
97	More trees, better traffic and noise control, traffic choke points reengineered and collaboration with State DOT and City of Raleigh for commuter light rail, removal of the junkyard near Mitchell Mill and Main Street. Such an eye sore and surely an EPA nightmare	10/19/2024 8:36 AM
98	Shops and restaurants	10/19/2024 7:53 AM
99	New elementary school on east side of 401 near the high school to support all the new neighborhoods being built.	10/19/2024 7:23 AM
100	Nice restaurants. We have enough dental offices!!	10/19/2024 7:20 AM
101	More pharmacy choices, maybe a dmv or social security office	10/18/2024 11:04 PM
102	A library	10/18/2024 5:21 PM
103	More parks, help with schools especially Rolesville High so it won't be viewed in a negative way, remember that most of us that lived here or moved here did it because we wanted the small town feeling that we had so keep that alive please Also please review a disc golf course budget (that appeared to be approved several years ago) in Mill creek Park. We have the Farm that will be build soon and would be a great place to attract those tournaments as well	10/18/2024 3:37 PM
104	Healthcare, better traffic control/roads	10/18/2024 2:41 PM
105	Better side walks for those walking the town. A public library would be super useful for the community for a place to gather and learn together.	10/18/2024 2:17 PM

112	Restaurants	10/18/2024 4:24 AM
113	schools	10/18/2024 2:56 AM
114	Sidewalks! And connecting Old Town to downtown, there is the start of a walking path that would be very nice to spruce up. Would love to connect Geneina Lane to Watkins Farm Rd. Looks like it was going to be but then wasn't. Would have been very helpful during all of the construction on main street. Also concerned about traffic in Rolesville with so many single lanes and all of the business coming soon.	10/18/2024 12:41 AM
115	Large gathering places	10/17/2024 9:48 PM
116	Sit down restaurants, internal medicine healthcare	10/17/2024 9:44 PM

127	Parks with basketball courts, more trails connecting more of the city, and a way to get to the new recreational areas by walking or biking without the risk of crossing 401	10/17/2024 3:47 PM
128	I would like to see the roads and traffic patterns improved. Right now, there are too many new communities being built without the proper traffic patterns to support them.	10/17/2024 3:12 PM
129	Transportation, entertainment, shopping… healthcare, just not more dentists please.	10/17/2024 2:59 PM
130	Invest in roads to accommodate the increases in population and housing starts	10/17/2024 2:54 PM
131	Sidewalks, trees, parks, library, and schools	10/17/2024 2:52 PM
132	Schools	10/17/2024 2:41 PM
133	I would like more local restaurant options (hoping the current developments help with this). We are very excited about The Farm Park plans helping meet park needs! Excited about the greenways making the area more walkable. My main concern is about the traffic the massive influx in housing will bring -- especially around the schools.	10/17/2024 2:01 PM
134	Work on the infrastructure we currently have and improve it first of all. And it would be nice to have a library.	10/17/2024 1:45 PM
135	Transportation, right now it's terrible in this town	10/17/2024 1:42 PM
136	I think schools need to be a focus looking ahead. My daughter is 2 and despite living in rolesville we are currently re-zoned for WF schools. This tells me we don't have the capacity for what we will need once my kid is of school age. With all of the town growth, it would be good to plan ahead for the influx if kids in need of quality schooling who will be on their way. We are fortunate to have some of the better schools in NC and doing even better by our kids should be a top priority.	10/17/2024 1:41 PM
137	Healthcare Facilities (to include retirement living option), roads managed by Town of Rolesville Police (on or paid off duty) during congested school arrivals/dismissals, family friendly activities for families with teens and young adults.	10/17/2024 1:23 PM

142	No more dentists office, need sit down restaurants, public library, event center	10/17/2024 10:57 AM
143	Continue to improve the look of North and Main Streets that has already been started.	10/17/2024 10:54 AM
144	Improve bike lanes and better infrastructure are needed to make it safer for people to walk from their homes to places like the park or grocery stores. Currently, some drivers fail to stop when turning right on red, creating unsafe conditions for pedestrians.	10/17/2024 10:30 AM
145	Keeping our small town charm	10/17/2024 10:27 AM
146	I would like to see a committment to greenways along creeks and not woven in to communities and thrown on the side of streets to function as a wider sidewalk. This town's identity is its parks and recreation offerings - the greenways need to be exclusive to the communities they connect - not a part of them. Make a firm commitment to establishing dedicate space for greenways - define exactly where they should go and do not leave it up to developers to tell you how they should meandor through the community they build. Purchase more land for parks. Make and/or take reasonable offerings from developers to ensure green space is preserved as much as possible. DO NOT allow developers to compremise existing communities by funneling traffic through them just because the property they want to develop	10/17/2024 9:22 AM

doesn't have the ideal road frontage. Lastly - stick to the land use plan and economic plan - stop allowing developers to rezone to meet their needs.

147	More local doctor offices including family practice and specialists. Too many dental offices! Better schools.	10/17/2024 9:12 AM
148	A library even if that sacrifices police personnel/vehicles; true community spaces (gardens, free meeting place, senior center, nature paths). Focus on commercial (upscale like Trader Joe's which will attract $$$- no more pizza & nail places which will turn Rolesville into te ghetto) & limited residential (overcrowded for existing population); and greater commercial/professional presence	10/17/2024 8:54 AM
149	More restaurants, grocery stores, larger streets, an urgent care, community centers with free activities for all the young ones and the elderly. A skating park would also be amazing. Something like Apex	10/17/2024 8:46 AM
150	Parks, greenway, mid-tier and boutique restaurants and/or desserts (not fast food or chains), urgent care builds venue for speaking, performance, and community theater	10/17/2024 8:45 AM
151	We continue to see residential builds go up. While I understand that we are getting Cobblestone and the Publix Shopping area, we need more commercial businesses in our area. Our family continues and will continue to make a daily commute to neighboring towns for various stores, activities, and restaurants. We are drawing in more families with these residential builds but do not have the commercial sites to serve them.	10/17/2024 8:35 AM
152	Upgrade to infrastructure. Increase public safety numbers and budgets.	10/17/2024 8:30 AM
153	Sidewalks and cross walks, so we can walk from our home-which is very much in walking distance- to all of the new retail and amenities. Right now the plan seems for it inexplicably end 20-50 yards from 2 neighborhoods and we have to cross back and forth to get to the heart of downtown. Another park/playground (not ball fields but a true park) with water feature would be amazing. A town pool would be excellent. More sit down restaurants and bars, pleasssse.	10/17/2024 8:21 AM
154	Library, sidewalk connecting all areas of the community. Improved roads to help with traffic flow for all the new housing	10/17/2024 8:13 AM
155	parks, social areas and facilities, walking/hiking/biking trails	10/17/2024 8:03 AM
156	Transportation, parks	10/17/2024 7:57 AM
157	Stop building	10/17/2024 7:57 AM
158	Extended sidewalks to make walking easier through town Ex: Rogers Rd needs sidewalks on both sides of the street. The side walk also stops just past SECU, but the trail comes out in the heritage community.	10/17/2024 7:16 AM
159	Library, healthcare, affordable housing	10/17/2024 6:48 AM
160	Quality businesses that promote long standing relationships with the community. Many of the businesses that are coming to this area are u desirable.	10/17/2024 6:15 AM
161	Easy roads to navigate and more sports fields	10/17/2024 12:36 AM
162	Greenways, parks and rec	10/16/2024 11:20 PM
163	More retail and restaurants	10/16/2024 10:37 PM
164	Locally owned farm to table restaurants	10/16/2024 10:36 PM
165	Parks-pickle ball & dog park	10/16/2024 10:25 PM
166	Public spaces with ample parking - the lack of parking prevents us from attending Rolesville events. We also desperately need better entertainment in town - restaurants, activity venues, etc.	10/16/2024 10:08 PM
167	Still maintaining the small town feel....	10/16/2024 10:01 PM
168	Parks and Recreation space to include indoor activity spaces.	10/16/2024 9:42 PM
169	Splash pad!!! Like in knightdale. Clean up that old factory and dollar general	10/16/2024 9:36 PM
170	As a short term goal: The potholes on Rogers Rd and Granite Falls Blvd desperately need to	10/16/2024 9:27 PM

be repaired. Long term, I would love to see more areas of the town accessible by greenway.

| 171	I would absolutely love to see a ton of nature trails that have clearly been invested in that cover the town and are walkable from my neighborhood (we're in preserve jones dairy so right now we don't even have sidewalk up young street reaching us). Additionally parks in general (bonus points if they are accessible via trail) that are beautiful and encourage people to spend time in public for free is so underrated. And potentially outside of the scope you are talking about, I would love to drive around town and see builds look new and attractive. A lot of older business builds look very aged and it just brings the whole feeling of the town down. Even if visitors come for new attractions we have they won't want to stay and spend money if the vibe is off - so all the money will go to cobblestone and walbrook, but it only takes a little exterior makeover to make the existing businesses equally as attractive.	10/16/2024 8:50 PM
172	Transportation New Restaurants and bars	10/16/2024 7:55 PM
173	Parks & recreational areas, community facilities (like a library)	10/16/2024 6:24 PM
174	Library	10/16/2024 6:22 PM
175	Library, good restaurants	10/16/2024 6:15 PM
176	A wider range of healthcare facilities would be appreciated. In addition, Rolesville is not safely walkable. It's small enough to be walkable but many in the general public do not appear to comprehend the rules regarding pedestrian rights and safety.	10/16/2024 6:11 PM
177	A library and a park with facilities	10/16/2024 6:08 PM
178	I would love a library in town and an indoor park for when the weather is too cold or it is raining.	10/16/2024 6:07 PM
179	Make sure the infrastructure keeps up with the high growth the town is experiencing. And stop allowing builders to cram houses in like sardines. Many people prefer larger lots to .1 - .15 acres of land.	10/16/2024 5:54 PM
180	Inclusive park with fence Store like target or wal mart	10/16/2024 5:40 PM
181	Slow the building of more homes to avoid congestion in roads. Do not clear cut lots of do build. Keep trees around properties. Helps with water drainage….	10/16/2024 5:27 PM
182	More parks	10/16/2024 5:12 PM
183	A or B rated schools with lots of community partnership. Restaurants with outdoor seating. Parks and recreation activities for children.	10/16/2024 5:09 PM

187	That the roads are widened, and improve traffic flow with all the new developments approved in the town. Also to have the proper police staffing for our fast growing population.	10/16/2024 4:50 PM
188	Library	10/16/2024 4:24 PM
189	Improved Bus transportation routes, smaller local Hospital and Library.	10/16/2024 4:08 PM
190	Nice restaurants. Remove the abandoned factory and remove the junkyard.	10/16/2024 4:04 PM
191	Transportation, parks, commercial	10/16/2024 4:02 PM
192	Parks, healthcare facilities, gathering spaces	10/16/2024 3:53 PM
193	More parks and open community spaces, a community rec center, pool or splash pad, and dog park	10/16/2024 3:49 PM
194	Safety, fun things to do, and would also love more healthy food options in the area (gluten free)	10/16/2024 3:40 PM
195	More Parks, less homes.	10/16/2024 3:33 PM
196	Parks, schools, better side walks	10/16/2024 2:44 PM

198	New restaurants and an urgent care	10/16/2024 2:23 PM
199	Parks	10/16/2024 2:22 PM
200	Ways to improve higher traffic volume, investment in the downtown, more business diversity (too many dentists, car related service businesses, fast food), attract more sit-down restaurants, need more litter cleanup on greenways, parks and just generally around the town (litter is literally everywhere especially around wooded areas by granite falls). More 3 lane roads with a middle turning lane where there are only 2 lane roads for better traffic flow especially by Burlington Mills. Also add more roundabouts to replace traffic lights to improve traffic flow, safety and save the town money.	10/16/2024 2:18 PM
201	Parks, transportation, and healthcare	10/16/2024 2:11 PM
202	Library! We have two elementary schools but only one middle school and high school…I'd love to have another option for those as well.	10/16/2024 2:01 PM
203	transportation	10/16/2024 1:58 PM
204	Parks that include more than a baseball or soccer field. Maybe pickleball courts or another playground. A local library.	10/16/2024 1:57 PM
205	We need a community center, senior center, and more parks.	10/16/2024 1:56 PM
206	Less construction. Finish one project before beginning another	10/16/2024 1:22 PM
207	Sit down restaurants. Activity safe building for teenagers/ young adults.	10/16/2024 1:09 PM
208	Library, Senior Center, Less building in general Taking care of what we already have—keeping streets litter free, keeping grass/weeds along roads under control No to any more housing in question #2	10/16/2024 1:07 PM
209	Health care facilities and improvement to schools in town. The main service would be more restaurants	10/16/2024 12:59 PM
210	Parks, library, restaurants, and bars. Want more local options for fun and activities.	10/16/2024 12:47 PM
211	Things that facilitate young families moving into the area. Well maintained parks, childcare and school investments	10/16/2024 12:43 PM
212	More shops/restaurants	10/16/2024 12:41 PM
213	I have some concerns about potential congestion on Main Street once the Cobblestone and Wall Brook developments are completed, although it is difficult to assess the full impact at this time. I am, however, excited about the planned bike lanes and expanded sidewalks, which will greatly enhance pedestrian and cyclist accessibility. Additionally, I would love to see more local sit-down restaurants, and a brewery and/or cocktail lounge/speakeasy could add a unique appeal to the area. A large fenced dog park would be a valuable addition to the community, and it's important that we preserve trees and natural spaces while making these improvements. Finally, incorporating public tennis courts would provide another great recreational option for residents	10/16/2024 12:37 PM
214	Parks, bike trails, youth fields	10/16/2024 12:33 PM
215	Tree preservation and expansion of parks and greenways. Also a focus on bringing additional entertainment and restaurants to the area. Less townhouses, apartments and more single family residences.	10/16/2024 12:29 PM
216	Parks, walkable downtown, healthcare	10/16/2024 12:25 PM
217	Urgent Care of Children's Urgent Care, Sit down restaurants with outdoor seating	10/16/2024 12:22 PM
218	An Urgent Care A library	10/16/2024 12:06 PM
219	I would like to see the recreation center built with soccer fields, basketball courts, not just baseball fields like at Redford Place. I saw there is a library slated for Rolesville which is great. We need more 3rd spaces outside of home and work spaces where people can actually gather to sit, to chat, for kids to play. Mixed use spaces for families. I am hopeful Cobblestone village might offer some of that.	10/16/2024 12:05 PM
220	Additional coffee/restaurant options. Whole Foods.	10/16/2024 12:04 PM

221	Parks, schools	10/16/2024 11:58 AM
222	main street road updates to adjust for additional traffic and beautification	10/16/2024 11:47 AM

224	transportation (stop light at high school and Granite Falls Blvd at Young St)	10/16/2024 11:46 AM
225	Easier to walk/bike throughout town.	10/16/2024 11:44 AM
226	More restaurants, shopping, parks, etc	10/16/2024 11:41 AM
227	Improved traffic flow, better quality schools with strong performance relative to the state and nation.	10/16/2024 11:40 AM
228	Consideration of traffic volume. Parks and natural woodland spaces.	10/16/2024 11:36 AM
229	Parks and open land. I don't want to see Rolesville get as crowded and built up as wake forest. I think many people are afraid every piece of land will have an apartment building on it.	10/16/2024 11:35 AM
230	Enhancements to roadways to deal with traffic. Traffic between here and 540 is becoming increasingly difficult. My expectation would be the town take a very hard look at whether infrastructure can handle more new development before more housing is approved.	10/16/2024 10:34 AM
231	Street maintenance Stormwater management Business development	10/15/2024 2:48 PM

#	OTHER (PLEASE SPECIFY)	DATE
1	Forecasting for the growth and learn from other local towns mistakes.	12/3/2024 9:20 PM
2	Addressing increased traffic volume. The downtown updates are already long overdue and there has nothing been done to help ease the issue. Will there even be a better left turning lane from Main on to Rogers Road	12/3/2024 4:45 PM
3	Morning traffic to get into Raleigh	12/3/2024 3:08 PM
4	Maintaining easy transportation within town and not having crazy traffic with all the additions	11/20/2024 4:24 PM
5	Balancing growth with overcrowdedness. The vast apartment complexes in triangle town center I believe would degrade the quaint feel and community of the town.	11/7/2024 4:26 PM
6	Not enough schools	10/19/2024 7:23 AM
7	Adequate streets to handle growth	10/18/2024 2:41 PM
8	Managing the increase vehicle traffic as the town grows	10/17/2024 3:47 PM
9	Not having the proper roads to support the number of housing coming in	10/17/2024 3:12 PM
10	Fix the roads	10/17/2024 1:42 PM
11	Losing small town charm	10/17/2024 8:13 AM
12	Stop building	10/17/2024 7:57 AM
13	Too much growth and not enough to support this growth: road sizes, safety on roads, businesses, etc	10/16/2024 6:15 PM
14	Those in local government being selective in the businesses coming to town. We don't need another auto parts store.	10/16/2024 6:11 PM
15	The town urgently need a closer hospital. Even if it were a smaller one.	10/16/2024 4:08 PM
16	Traffic flow issues	10/16/2024 3:53 PM
17	Taking care of what is already here	10/16/2024 1:07 PM
18	Traffic Traffic Traffic	10/16/2024 10:34 AM

Q5 If you could start a new program or initiative that would make Rolesville the best place to live in North Carolina, what would it be?

#	RESPONSES	DATE
1	-Festival with vendors (winter fest, spring fest, summer fest, fall fest, etc.) -Outdoor movie nights -Volunteer Days (cleanup, help homeless, donations, tree-planting, beautification) -Block Party similar to Friday night in White. Just not on a busy street. Live music, games, art. Maybe not as focused on drinking, but on community, art, music, and local businesses. -Rolesville 5k fundraiser	1/17/2025 4:13 PM
2	A huge area that can provide a multitude of needs for families including parks, communication centers, shopping, dining, and athletic events	12/29/2024 6:27 PM
3	Public library with programs to learn sustainable skills like sewing and/or gardening etc.	12/13/2024 10:11 AM
4	There is a need for a nice restaurant; enough fast food facilities.	12/9/2024 3:18 PM
5	Redesign S. Main Street. There are too many car washes, junk yards, and entry ways leading into plazas/places of business. During rush hour, it takes forever to get through the half mile between Burlington Mills and Rogers. The appearance is old and run down, and the road is not wide enough to accommodate traffic flow.	12/5/2024 12:40 AM
6	A program to attract business to our town	12/4/2024 1:28 PM
7	Programs that would strengthen families and give mentorship opportunities early so our youth have something to look forward to before bad habits form.	12/3/2024 9:20 PM
8	Adult sports	12/3/2024 8:46 PM
9	Recruit needed businesses such as Target, higher end dining, that meet what is lacking. There are a lot of tax dollars going to Wake Forest because of this	12/3/2024 7:22 PM
10	A gardening and/or landscaping program to teach people how to work with nature to the benefit of our environment, beautification of our neighborhoods, and enhancement of our property value.	12/3/2024 5:57 PM
11	Start with a large, comprehensive library and go from there. Why are we the only town in Wake Cty without one? Add more programs for teens and a space to hold them.	12/3/2024 4:45 PM
12	A senior citizens center and/or a youth center and creating more volunteer opportunities.	12/3/2024 4:24 PM
13	Complete greenway access to connect all neighborhoods to a vibrant downtown.	12/3/2024 3:52 PM
14	I can't think of one currently, but I would hope it has something to do with maintaining small-town charm and appeal while growing.	12/3/2024 3:19 PM

25	More walkable	11/19/2024 10:58 PM
26	Beautify the Main Street corridor	11/19/2024 7:59 PM
27	No More Minining Operations masked as housing developments. The work behind food lion and beside publix cause massive particulate pollution for the entire town. Every day for last several oaths my car was coated in dust from this work and I'm displeased by it. I desperately hope the town will avoid permit these land use activities in the future. I don't want to breathe granite dust they produce by mining rock to sell for other purposes. The town isn't a quarry.	11/19/2024 7:35 PM
28	Not sure	11/19/2024 5:56 PM

35	Increased public facilities and retail options	11/8/2024 7:24 AM

114	I am trying to start a business in Rolesville right now. i am struggling to get attention for retail space (just lost a bid to five guys in the new Publix space) I am trying to open children's art classes for kids. I think it will be amazing, if I can get a space.	10/17/2024 1:41 PM

118	Improve safe walking for pedestrians and bikers. My family and I during the weekends like to go for a ride and it's so complicated to cross the street sometimes. More cultural and recreational activities (I am a foreign and I usually go to Raleigh to attend events like international food trucks)	10/17/2024 10:30 AM

that remain. The ordinance would offer generational incentives like no other program created. Tax cuts for every decade your family lives or has lived in the town for two specific communities and a few specific properties. Create an incentive for people to be livelong residents.

121	Stop building on land that has trees. Repurpose land that has old unusable buildings.	10/17/2024 9:12 AM
122	Library and youth mentor programs (for free!!), community gardens. It's been proven that community spaces reduce future crime.	10/17/2024 8:54 AM
123	Youths focused activities, with a rich option for adults to hang out and engage in social interactions and activities.	10/17/2024 8:46 AM
124	Focus on being the most vibrant, quaint small town for locally owned and operated small businesses, boutiques, experiences, restaurants, etc. and stand out by not looking like every other growing town with the same chain stores everywhere.	10/17/2024 8:45 AM
125	Something that supports small local business builders. If you go into Franklinton, they have a thriving downtown that is not full of chain retail or restaurants. It is small local businesses that are thriving because the town supports them.	10/17/2024 8:35 AM
126	A sports complex- baseball, basketball,soccer and hockey. Tournaments bring in money.	10/17/2024 8:30 AM
127	Make it so walkable! All of the best towns in NC have concentrated areas of entertainment/retail/food that are walkable and attractive. People move to towns and vacation in towns just for "cute downtowns", so I think we're going n the right path there-just make sure it's accessible on foot or bike for as many people as possible.	10/17/2024 8:21 AM
128	Wider sidewalks and bicycle lanes to allow for travel within the town without a vehicle	10/17/2024 8:13 AM
129	i would allow people that own businesses in rolesville to vote in rolesville elections. We also need people in office in rolesville that now how to run a town. Rolesville is known in Wake county as the toughest town to work with because of their incompetence when it comes to building construction.	10/17/2024 8:03 AM

134	More walkable spaces with restaurants and shops	10/16/2024 10:37 PM
135	Walkable Main Street with locally owned shops and restaurants with greenway access and playgrounds. Reduce neighborhood speed limits to 15	10/16/2024 10:36 PM
136	Pickleball	10/16/2024 10:25 PM
137	Stop adding subdivisions and focus on the arts with events & public education opportunities. No Wake County Suburb counts its self as an arts hub. We could be the official "Arts district" for our are and pull a lot of revenue as a town that puts the arts first - from Wake Forest, North Raleigh, Zebulon, Wendell, etc.	10/16/2024 10:08 PM
138	More free events, festivals It brings people together	10/16/2024 10:01 PM

140	Stuff for all of the kids now living here!!! They need stuff to do!	10/16/2024 9:36 PM
141	Rolesville could really use affordable daycare and preschool options for the young families in our community	10/16/2024 9:27 PM
142	Fully walkable town. The town is small enough to make it possible. All neighborhoods are within a 50 ft of a trailhead that allows them to connect with other neighbors, walk or bike to work safely if they work in the city, enjoy nature with pets. All trails would be well maintained with water fountains (with pet fountain), benches, trash cans, pet waste stations, and emergency call stations (maybe additional security measures so it doesn't attract crime in neighborhoods and trails as an escape - cameras?). This can increase access to the town, reduce unnecessary traffic, increase the healthiness of the town population. It would attract	10/16/2024 8:50 PM

fitness junkies to the town, if a good percent of the town's population were healthy walking frequently it could actually increase the lifespan/health of the town. Think of that headline!

169	Natural outdoor options (like road/mountain bikes, but I'm bias)	10/16/2024 2:22 PM
170	More resources dedicated to letting Rolesville clean (litter pickup and landscaping), attract higher end shops to increase tax revenue and keep property values up, create more unique parks like a disc golf course.	10/16/2024 2:18 PM

181	More places for community engagement like a rec center that offers a variety of classes for residents	10/16/2024 12:41 PM
182	If I could start a new program, I would create a 'Green Living and Learning Hub', a community-driven initiative focused on sustainability and education. The hub would serve as a central location for workshops, skills training, and environmental education, teaching residents about sustainable practices like urban gardening, renewable energy use, and waste reduction. The program would also partner with local schools and businesses to create eco-friendly projects and volunteer opportunities. By empowering residents to live sustainably and creating a network of green-minded individuals, this initiative would improve environmental awareness and reduce the community's carbon footprint, making it a healthier and more resilient place to live. Additionally, the hub would foster a sense of community by encouraging neighbors to collaborate and share resources, ultimately building a stronger, more connected, and eco-conscious neighborhood.	10/16/2024 12:37 PM
