The Town of Rolesville contracts with **Allen's Tree Service** to provide bi-weekly curbside yard waste collection and with **GFL** to provide weekly curbside garbage and recycling collection. If you have an issue with your service, please call Town Hall at 919-556-3506.

GARBAGE AND RECYCLING

The Town provides residential curbside solid waste collection to most residential units in the Town limits. Basic service includes one garbage cart (black or grey cart body) and one recycling cart (blue or green cart body).

Garbage and recycling waste are collected every Tuesday town-wide, except for certain holidays (see calendar) or unexpected disruption of service due to inclement weather.

Bag your garbage to prevent flyaway litter as the cart is emptied. Recyclables, however, should NOT be bagged but placed loosely in your recycling cart.

Residents must place their carts at the curb no later than 7am on pickup day and no earlier than dusk the day prior to collection. After the carts have been emptied, they should be returned to the back yard or side yard no later than the end of the collection day.

For more information on what you can recycle, this [Wake County](#) website provides further detail in the “acceptable items” section.

Additional rollout carts may be requested. One additional cart is **\$33.00 per quarter**, and two additional carts are **\$66.00 per quarter**.

Commercial businesses in Town may contract with any commercial service provider. Rollout carts provided by the Town are intended for residential households only.

YARD WASTE

This includes vegetative matter resulting from landscaping maintenance (including but not limited to leaves, twigs, grass, limbs, hedge clippings, hay/pine straw, pinecones, and logs). It MUST BE FREE of trash, bricks, rocks, and other refuse. Items that will not be collected include stumps, root balls, animal waste, wooden materials, and dirt.

Residents must place small yard debris in trash containers of up to 35-gallons in size. There is a limit of five (5) containers per residence, and each container cannot exceed 50 pounds. The Town does not provide the containers. Yard waste placed in recyclable brown bags will be accepted.

Larger limbs and branches can be placed loose curbside. Any limbs placed loose must meet the following rules:

- All limbs must face a similar direction.
- Limbs less than six (6) inches in diameter must not be longer than six (6) feet.
- Limbs greater than six (6) inches in diameter must not be longer than two (2) feet.
- Logs must not be longer than one (1) foot.
- One pile of limbs per resident must not exceed six (6) feet in height, ten (10) feet in length, and six (6) feet in depth.

LOOSE LEAF

When preparing leaves for collection, residents are urged to adhere to the following guidelines:

- Place leaves behind the curb (not in the street or gutter) so they do not interfere with traffic or drainage.
- Do not block fire hydrants or sidewalks.
- Do not park in front of or on the leaf piles.
- Do not mix sticks, rocks, pinecones, limbs or other debris with loose leaves. The vacuum equipment is designed to pick up only loose leaves, so your cooperation will help prevent equipment damage and mechanical breakdowns
- Inclement weather may force a change in leaf collection schedule-any changes will be announced on our website.
- Please sit leaf piles separate from limbs and branches.

OTHER WASTE	SOLID WASTE BILLING INFORMATION
<p>Large items and bulk goods are not collected through the normal residential collection service. Options to dispose of these materials are:</p> <ul style="list-style-type: none"><li>• Bring items to the Wake County Convenience Center</li><li>• Check the Wake County Waste &amp; Recycling website at <a href="#">www.wakegov.com/recycling</a> for a list of several locations where other types of solid waste are accepted.</li><li>• Call GFL at 919.662.7100 to schedule a special pickup (separate charges will apply).</li><li>• Call other local waste providers to arrange private collection.</li></ul>	<p>The fee for solid waste is included as an annual fee on your residential property tax bill. Each residence is provided with one garbage cart and one recycling cart. Additionally, carts are available for a fee, but will be billed separately.</p> <ul style="list-style-type: none"><li>• Fee applies to all residential units, regardless of type of construction.</li><li>• Fee applies to all habitable units, whether occupied or unoccupied.</li><li>• Amount of the fee is based on the number of dwelling units on each parcel.</li><li>• Parcels excluded from the fee: Multi-family developments with dumpster service.</li><li>• Homes condemned or otherwise uninhabitable.</li></ul>
